PERILS
OF
GLOBAL
LEGALISM

Eric A. Posner

The Perils Of Global Legalism

Carlo Focarelli

The Perils Of Global Legalism:

The Perils of Global Legalism Eric A. Posner, 2009-10-15 The first months of the Obama administration have led to expectations both in the United States and abroad that in the coming years America will increasingly promote the international rule of law a position that many believe is both ethically necessary and in the nation's best interests With *The Perils of Global Legalism* Eric A. Posner explains that such views demonstrate a dangerously naive tendency toward legalism an idealistic belief that law can be effective even in the absence of legitimate institutions of governance After tracing the historical roots of the concept Posner carefully lays out the many illusions such as universalism sovereign equality and the possibility of disinterested judgment by politically unaccountable officials on which the legalistic view is founded Drawing on such examples as NATO's invasion of Serbia attempts to ban the use of land mines and the free trade provisions of the WTO Posner demonstrates throughout that the weaknesses of international law confound legalist ambitions and that whatever their professed commitments all nations stand ready to dispense with international agreements when it suits their short or long term interests Provocative and sure to be controversial *The Perils of Global Legalism* will serve as a wake up call for those who view global legalism as a panacea and a reminder that international relations in a brutal world allow no room for illusions

The Oxford Handbook of the Theory of International Law Anne Orford, Florian Hoffmann, Martin Clark, 2016 Histories Approaches Regimes and doctrines Debates

American Foreign Policy Ideology and the International Rule of Law Malcolm Jorgensen, 2020-01-02 Demonstrates American legal policymakers hold competing conceptions of the international rule of law structured by foreign policy ideologies

The Security Council as Administrator of Justice? Hans Köchler, 2011

Green Crimes and International Criminal Law Regina M. Paulose, 2021-07-06 Green Crimes and International Criminal Law examines crimes against the environment which impact not only humans but also wildlife and ecosystems more generally A significant point of discussion in the volume is whether green crimes can fit effectively into existing international criminal law frameworks or not Chapter authors explore these crimes from both a definitional and theoretical perspective and in various contexts in different parts of the world questioning whether these violations have led to or are violations of international criminal law While the recognition of green crimes in the international criminal law community has been slow it has increasingly gained widespread attention This volume acknowledges the growing interest and seeks to promote debate among academics and professionals working on the subject The aim of these texts is to encourage meaningful action around green crimes within the international criminal law community so that environmental justice can become established The collection will be of particular interest to practicing attorneys and academics studying international criminal law especially those keen on investigating how green crimes can be incorporated into the specific canon of international law

International Law as Social Construct Carlo Focarelli, 2012-05-24 This book explores international law as a social construct by analysing its social foundations and by re conceptualizing the

way in which it is commonly understood It asks what law is and how it works in society and shows why it is worth to struggle for new and better working rules in the international legal order **Living with the UN** Kenneth Anderson,2013-09-01 International legal scholar Kenneth Anderson analyzes US UN relations in each major aspect of the United Nations work security human rights and universal values and development and offers workable practical principles for US policy toward the United Nations He addresses the crucial question of whether when and how the United States should engage or not engage with the United Nations in each of its many different organs and activities giving workable pragmatic meaning to multilateral engagement across the full range of the United Nations work **Annuaire Canadien de Droit International** John H. Currie,Ren Provost,2014-03-01 This is the fiftieth volume of The Canadian Yearbook of International Law The contents of this special anniversary edition reflect the diversity of Canadian and international thought opinion and practice on current problems of international law Included are a retrospective examination of Canadian approaches and contributions to international law during the Yearbook s first fifty years as well as cutting edge analyses and commentary on a wide range of issues such as the use of battlefield biometrics the cultural dimensions of sustainable development Omar Khadr s combatancy and child soldier status and immunities for gross violations of international human rights *How Interpretation Makes International Law* Ingo Venzke,2012-09-06 Challenging the classic narrative that sovereign states make the law that constrains them this book argues that treaties and other sources of international law form only the starting point of legal authority Interpretation can shift the meaning of texts and in its own way make law In the practice of interpretation actors debate the meaning of the written and customary laws and so contribute to the making of new law In such cases it is the actor s semantic authority that is key the capacity for their interpretation to be accepted and become established as new reference points for legal discourse The book identifies the practice of interpretation as a significant space for international lawmaking using the key examples of the UN High Commissioner for Refugees and the Appellate Body of the WTO to show how international institutions are able to shape and develop their constituent instruments by adding layers of interpretation and moving the terms of discourse The book applies developments in linguistics to the practice of international legal interpretation building on semantic pragmatism to overcome traditional explanations of lawmaking and to offer a fresh account of how the practice of interpretation makes international law It discusses the normative implications that arise from viewing interpretation in this light and the implications that the importance of semantic changes has for understanding the development of international law The book tests the potential of international law and its doctrine to respond to semantic change and ultimately ponders how semantic authority can be justified democratically in a normative pluriverse *The Rise of China and International Law* Congyan Cai,2019 The rise of China signals a new chapter in international relations and international law How China interacts with the international legal order namely how China utilizes international law to facilitate and justify its rise and how international law is relied upon to engage a rising China has invited growing debate

among academics and those in policy circles This book for the first time provides a systematic and critical elaboration of the interplay between a rising China and international law

As recognized, adventure as capably as experience not quite lesson, amusement, as well as union can be gotten by just checking out a book **The Perils Of Global Legalism** furthermore it is not directly done, you could endure even more more or less this life, re the world.

We present you this proper as capably as easy habit to acquire those all. We provide The Perils Of Global Legalism and numerous ebook collections from fictions to scientific research in any way. in the middle of them is this The Perils Of Global Legalism that can be your partner.

The Perils Of Global Legalism Introduction

In the digital age, access to information has become easier than ever before. The ability to download *The Perils Of Global Legalism* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *The Perils Of Global Legalism* has opened up a world of possibilities. Downloading *The Perils Of Global Legalism* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *The Perils Of Global Legalism* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *The Perils Of Global Legalism*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *The Perils Of Global Legalism*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *The Perils Of Global Legalism*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *The Perils Of Global Legalism* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers,

free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Perils Of Global Legalism Books

1. Where can I buy The Perils Of Global Legalism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
