Reborn: House of Phoenix Lia Davis, 2020-08-19 My best friend killed me to protect me Rising from the ashes of my own death wasn't the epic event I pictured It was painful and confusing After the hazy cloud of my rebirth lifted my first thoughts were of Lucent He'd slammed death fire into me and teleported me away from the crime scene Why So he could take the blame and spare me from final execution at the hands of The Phoenix Council And I couldn't live with that So of course I turned myself in But reform school is no joke and every assignment tests my already thin patience I may be making new friends and collecting bodyguards I never expected to need but someone is sabotaging my attempts to succeed And since they clearly want me dead I'm on a mission to find out who they are and show them why The Phoenix Council is terrified of me Even if it means revealing a secret I've guarded for all of my lives REBORN HOUSE OF PHOENIX is a reverse harem academy romance with a twist that is part of the Wicked Reform School series Each book in this shared world is a standalone story with its own all new characters set in the wicked reformatory so don't miss one At this reform academy you'll discover wicked paranormals wicked punishments and wicked pleasures like you've never read before

Moon Kissed Lia Davis, 2020-07-11 Audrey Kelly has given up As the middle sister she is required to mate with a male kissed by the gods in order to break her part of the Kelly curse An impossible task even for a witch However when her older sister mates with a descendant of the moon goddess Audrey's hope is renewed Her new brother in law claims that his brother could be the one to break Audrey's curse But could Lucian really be her one true mate Sentinel leader Lucian Scott has no desire to find a mate He's content with his single life Or so he thought until a curvy little witch comes into it The mating urge slams into him almost immediately and his need to possess Audrey in every way possible makes it unbearable to stay away from her Too bad his brother the Alpha has given him a direct order to do just that Keeping his distance until the so called time is right may just be the death of him but Audrey is definitely worth the wait

I'm With Cupid Lia Davis, L.A. Boruff, 2023-01-27 Ava Harper's life has taken more twists and turns over the last few months than a mountain highway It started when she arrived back home in Shipton Harbor Maine She wears many hats Part time bookstore clerk part time author necromancer in training full time caretaker of a ghoulish soon to be girlfriend to the town sheriff She's still in denial of the latter Now she has to add neighbor to Lucifer himself to that list Fine Whatever She can make her peace with living next door to the devil But then when she's finally out on a first date with the hotter than sin local sheriff who shows up to crash

the date Luci himself And he has a date of his own To add to all the crazy in her life she answers her door to find an animated skeleton standing on her doorstep hoping she can help him find his murderer What else can go sideways this Valentine s Day in Shipton Harbor Ghost Hunt Lia Davis,2021-02-23 As heir to the throne of the Azorea Cay Phoenix Clan Ember Bailey is committed to being as strong and fair as her mother Her people deserved nothing less in their queen Attending the Academy of the Phoenix is the first step to learning the business side of things while training with her three dads built up her strength to protect the clan Those two things keep her away from exploring the new relationship with her four mates But nothing is without sacrifice At least she has Lucent by her side and can video chat with the other three men You know a nice normal college princess lifestyle But trying to find a sense of normalcy after spending months at the Wicked Reform School proves to be impossible As the Academy of the Phoenix is ravaged by a ghost with a grudge death and foul play plague the campus With one teacher dead and another missing can Ember Zelphar Karn Lucent and Caleb track down the evil spirit and vanquish it before it has a chance to kill again *Divided Loyalties* Lia Davis,2013-12-15 Trained to hunt rogues and protect the human race from the threat of shifters Christa Baker is beginning to rethink her career choice Especially when her niece and nephew who she s raised on her own end up in the crossfire Now she s looking for a way out and disappear off Shield s radar for good She never thought her out would be a gorgeous wolf who kidnaps her after raiding Shield HQ Hayden Raines has always followed the rules As the Ashwood Fall wolf Marshal he has to set the example for those working under him When he sets his sights on the beautiful human hunter things go downhill fast Fate has a funny way of turning things inside out because the woman he kidnaps the enemy he might need to protect his family from just happens to be his mate
