Mainstreaming Gays Eve Ng, 2023-09-15 *Mainstreaming Gays* examines a key transitional period linking the eras of legacy and streaming when queer production and interaction was transformed by the emergence of digital media the rising influence of fan cultures and increasing interest in LGBTQ content It is critical reading for those interested in media production fandom subcultures and LGBTQ digital media

Youth Digital Health and Online Platforms Martyna Gliniecka, 2024-12-27 *Youth Digital Health and Online Platforms* focuses on young people's use of the digital platform Reddit for health Drawing upon dialogism theory the book explores how young people produce a youth led discourse of youth digital health different from the adult led framing represented in youth digital health research policy and service delivery Peer led discussions online remain one of the controversial forms of youth digital health associated with negative peer influence or casual teenage talk This book argues that online peer led dialogues support young people's agency in health and that young people can benefit from dealing with health issues with peers The work is based on the digital ethnography of teenagers subreddits on Reddit and utilises a theoretical framework of dialogism a linguistic based theory originated by an early 20th century Russian philosopher Mikhail Bakhtin The book introduces the concept of dialogical youth led youth digital health discourse formed in the peer led space of Reddit This youth led discourse celebrates equality and diversity amongst people meanings and opinions It is constructed around three relational elements socio material affordances creative practices and a plurality of youth voices Reddit's pseudonymous anti authoritarian and egalitarian nature supports the emergence of this youth led discourse The book can interest scholars and lecturers in childhood and youth studies Internet studies and youth health studies Professionals such as policymakers service designers deliverers online safety educators and global youth and health agencies can use evidence based insights in their work with young people

Social Media and Democracy Nathaniel Persily, Joshua A. Tucker, Joshua Aaron Tucker, 2020-09-03 A state of the art account of what we know and do not know about the effects of digital technology on democracy

Studying Youth, Media and Gender in Post-Liberalisation India Nadja-Christina Schneider, Fritzi-Marie Titzmann, 2014-11-21 This volume aims to look both at as well as beyond the Delhi Gang Rape through the lens of Indian Media Studies The editors consider it a critical event or rather critical media event that needs to be contextualized within a rapidly changing diversifying and globalizing Indian society which is as much confronted with new ruptures asymmetries and inequalities as it may still be shaped by the old established structures of a patriarchal social order But the volume also looks beyond the Delhi Gang Rape and introduces other related thematic areas of an emerging research field which links Youth Media and Gender Studies

Loving Our Enemies Through Seasons of Bitterness Lex Kohn, 2025-06-30 In a nation crumbling under the weight of bitterness where government is the people's god the way through is neither legislation nor activism but loving the least loveable A study of internet influence conflict theory and nineteenth century wisdom reveals that people do not have to solve their disagreements if they can relearn how to love

their enemies as Christ commanded This book highlights courageous men and women of faith from biblical times up through the present who obeyed this commandment the Scriptures they followed and how they managed it so that people today too might learn to substitute love instead of bitterness Emerging Dynamics in Audiences' Consumption of Trans-media Products Carmen Spano,2020-11-27 The book investigates the new forms of empowered agency possessed by national audiences with reference to two particular television texts Game of Thrones and Mad Men The two popular American TV shows are highly successful products of the convergence era characterized by trans media storytelling as a strategy and the interconnection of audiences multiple practices of reception and fruition The book argues how the analysis of audience engagement with trans media texts will disclose important information about the various ways people organize their lives around media and how these activities help them to make sense of the world they live in Monetizing Your Game Barrett Williams,ChatGPT,2025-07-25 Unlock the Gateway to Gaming Success with Monetizing Your Game Have you ever dreamed of creating your own game that not only captivates players but also generates revenue Monetizing Your Game is your comprehensive guide to transforming that dream into reality Dive headfirst into the vibrant world of gaming and discover how to capitalize on one of the most dynamic industries today Begin your journey by gaining an insightful understanding of the gaming market With a detailed overview of industry trends and market opportunities you ll be equipped with the knowledge to navigate this ever evolving landscape confidently Finding your niche is crucial and this book meticulously explores various gaming niches with a special focus on the captivating Challenges genre Learn about the mechanics popular games and audience preferences to ensure you craft a game that stands out From concept to launch this book guides you through building your game with practical advice on design fundamentals tools and creating a minimum viable product Harness the power of player feedback to iterate and enhance your game Monetization is at the heart of your success Discover the intricacies of freemium models in game purchases ad based revenues and subscription models Develop strategies to attract and retain players crafting engaging content and leveraging social media Preparation for a successful launch is detailed with pre launch marketing strategies and platform selection Delve into potent branding influencer marketing and viral promotion to maximize your reach Advance your expertise by learning to analyze game performance understand user metrics and make informed adjustments Expand your game offerings and pivot to long term success through collaborations and strategic planning Monetizing Your Game offers rich insights into legal considerations and ethical practices ensuring your venture s integrity Bolstered by real world case studies and innovative monetization approaches this book inspires and guides aspiring game creators every step of the way Embrace your potential in the gaming world and take the first step toward a thriving gaming business today Language and Mediated Masculinities Robert Lawson,2023 From television shows to the manosphere and from alt right communities to fatherhood forums debates about masculinity have come to dominate the media landscape What does it mean to be a man in contemporary society How is masculinity

constituted in different media spaces This growing cultural tension around masculinities has been discussed and analyzed both for general audiences and in burgeoning academic scholarship What has been typically overlooked however is the role that language plays in these mediated performances of masculinity In *Language and Mediated Masculinities* Robert Lawson draws on data from newspapers social media sites television programs and online forums to explore language and masculinities across a range of media contexts The book offers a critical evaluation of the intersection between language masculinities and identities in contemporary society and addresses three key questions How are masculinities constructed in both public and private spheres through linguistic and discursive strategies How does language about masculinity and men affect and recreate gender ideologies in different social political and historical contexts What might the language of men tell us about the state of contemporary gender relations in the twenty first century Lawson furthers our understanding of how language is implicated in re creating gender ideologies and how it shapes contemporary gender relations Against a cultural backdrop of rising neoliberalism ethnic nationalism online radicalization networked misogyny and fractious gender relations this book is an important contribution to charting how language is used to monitor evaluate and police masculinities in online and offline spaces

Understanding Reddit Elliot T. Panek, 2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit's communities this book provides a uniquely comprehensive overview of the platform's first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online anonymity Serving both as a primer on how social behavior on Reddit plays out and as a way of locating it within multiple theoretical traditions the book will offer important insights to scholars and students in the disciplines of communication media studies information science internet and emerging media studies and sociology

The Propagation of Misinformation in Social Media Richard Rogers, 2025-10-01 There is growing awareness about how social media circulate extreme viewpoints and turn up the temperature of public debate Posts that exhibit agitation garner disproportionate engagement Within this clamour fringe sources and viewpoints are mainstreaming and mainstream media are marginalized This book takes up the mainstreaming of the fringe and the marginalization of the mainstream In a cross platform analysis of Google Web Search Facebook YouTube Reddit Twitter Instagram 4chan and TikTok the authors found that hyperpartisan web operators alternative influencers and ambivalent commentators are in ascendency The book can be read as a form of platform criticism It puts on display the current state of information online noting how social media platforms have taken on the mantle of accidental authorities privileging their own on platform performers and at the same time adjudicating between claims of what is considered

acceptable discourse
