Which Level or PowerPoint Should I Start With?

Some schools follow Twinkl's recommended scheme into Levels, and other schools follow other schemes of work, which are also available on Twinkl. The Phonics resources align with the phonic sets from the UK Letters and Sounds and DfES schemes.

Your children's school will tell you which scheme they use. If you are at school or you could use this as a starting point. If you are at home, you can start with the 'Start with the Basics' PowerPoint. This will give your child the opportunity to learn the basics of phonics and will ensure they feel confident going forward. The Phonics resources are designed to be used in a variety of ways, including through the PowerPoints.
