Reading Picture Books with Infants and Toddlers Jane Torr, 2023-03-03 Reading picture books with infants and toddlers facilitates their early language development with far reaching benefits for their later reading abilities and academic achievement While the importance of reading books with children aged from 3 to 5 years is widely recognised the benefits of reading with much younger children from 0 to 3 years who are still engaged in learning their first language are less well understood This book will explore the seemingly simple practice of reading picture books with infants and toddlers aged 0 3 years from a range of perspectives Not only do book focused adult child interactions support language and early literacy development in multiple ways such interactions can also at the same time foster intellectual social emotional and spiritual growth By weaving together in an accessible manner the insights from several different discipline areas this book will explain how and why reading with infants and toddlers has such power to enrich their lives Providing an evidence based theoretically informed account Reading Picture Books with Infants and Toddlers supports educators parents and caregivers with the knowledge skills and motivation to provide frequent enjoyable and language rich reading experiences with infants and toddlers

Storytimes for Two-Year-Olds Judy Nichols, 2007 Provides fifty storytime programs for two year olds including ideas and suggestions for storytime content and encouragement to serve this age group

Fundamentals of Children's Services Michael Sullivan, 2005 Children's services are the heart of the library This overview provides hands on proven strategies for librarians addressing questions critical to the long term success of children's library services Experienced new and trainee children's librarians library administrators trustees will all welcome this new bible

Children's Books and Their Creators Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations

Crossover Fiction Sandra L. Beckett, 2010-11-24 In Crossover Fiction Sandra L Beckett explores the global trend of crossover literature and explains how it is transforming literary canons concepts of readership the status of authors the publishing industry and bookselling practices This study will have significant relevance across disciplines as scholars in literary studies media and cultural studies visual arts education psychology and sociology examine the increasingly blurred borderlines between adults and young people in contemporary society notably with regard to their consumption of popular culture

Children's Literature Gems Betsy Bird, Elizabeth Bird, 2009 Master the huge array of quality children's books from the past and the

present with this must have resource from children's librarian Elizabeth Bird Didactics and the Modern Robinsonade Ian Kinane, 2019-09-06 This collection redresses both the gender and geopolitical biases that have characterized most writings within the Robinsonade for young readers since its inception and includes chapters on little known works of fiction by female authors as well as works from outside the mainstream of Anglo American culture **APAIS 1992: Australian public affairs information service** , *Handbook of Research on Children's and Young Adult Literature* Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This landmark volume is the first to bring together leading scholarship on children's and young adult literature from three intersecting disciplines Education English and Library and Information Science Distinguished by its multidisciplinary approach it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature Part one considers perspectives on readers and reading literature in home school library and community settings Part two introduces analytic frames for studying young adult novels picturebooks indigenous literature graphic novels and other genres Chapters include commentary on literary experiences and creative production from renowned authors and illustrators Part three focuses on the social contexts of literary study with chapters on censorship awards marketing and literary museums The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory
