Sunday School Changes Everything Dr. Henrietta C. Mears, 2016-03-11 When Dr Henrietta Mears began her ministry in Hollywood California in the 1930s she was facing several challenges Sixty percent of children at the time were not attending a church of any sort Fewer than fifteen percent of children who attended Sunday School ever made a decision to follow Jesus Youth in their early college years were walking away from faith at an unprecedented rate Church attendance across the United States was experiencing a decline instead of growth In response to the crisis Dr Mears instituted a set of principles that helped grow the Sunday School program at First Presbyterian Church of Hollywood from 450 to more than 4 000 in just three years In *Sunday School Changes Everything* you will find her fearless recommendations on how to Build your church s Christian education program both numerically and spiritually Use practical methods for training your leaders and teaching students of all stages of life Implement five ingredients of successful ministry Jesus the Bible relationships a comprehensive plan and life change Employ 10 standards of a good curriculum that will help you answer the question of what to teach

Circular of Information of the Bureau of Education, for ... ,1879 *The Parent Adventure* Rodney Wilson, Selma Wilson, Scott McConnell, 2009-01-01 Informed by research that reveals destructive parenting patterns are being handed down through most American families including Christian households The *Parent Adventure* looks to the church to help break this cycle and teach moms and dads how to prepare their kids for a lifetime with God The problem starts when parents raise children based on their personal experiences growing up instead of using the Bible as the timeless authoritative guide Although seemingly painful at first the parental attitude of letting go must begin intentionally at birth keeping in mind that

each child's life is more about knowing God than anything else. With this outlook established, the future-focused mom and dad will move more joyfully through each stage in the adventure of parenting as detailed in the book. Knowing God has a lifelong plan for each family member; parents and kids will grow closer to each other just as sure as they will grow closer to God.

Copyright Office, 1973 *The Nuts & Bolts of Christian Education* Delia Halverson, 2010-10-01. Can you give me the book that will tell me how to DO Christian education? The Nuts & Bolts of Christian Education is designed to answer the most frequently asked questions by new as well as veteran teachers and leaders. Even though most churches provide teacher and leader training at least once a year, generally these one or two day sessions are unable to answer every question that arises during the year. The Nuts & Bolts of Christian Education is a practical guidebook that leads new and experienced teachers through the challenging and sometimes confounding landscape of the education ministry of a congregation. This is not a collection of lesson plans; it is a chock-full survey of nearly every aspect of Christian education one could imagine. DOING Christian Education starts here.
