Engerman, David Richardson, 2021-08-12 Medieval slavery has received little attention relative to slavery in ancient Greece and Rome and in the early modern Atlantic world This imbalance in the scholarship has led many to assume that slavery was of minor importance in the Middle Ages In fact the practice of slavery continued unabated across the globe throughout the medieval millennium This volume the final volume in The Cambridge World History of Slavery covers the period between the fall of Rome and the rise of the transatlantic plantation complexes by assembling twenty three original essays written by scholars acknowledged as leaders in their respective fields The volume demonstrates the continual and central presence of slavery in societies worldwide between 500 CE and 1420 CE The essays analyze key concepts in the history of slavery including gender trade empire state formation and diplomacy labor childhood social status and mobility cultural attitudes spectrums of dependency and coercion and life histories of enslaved people *Mazibuko: Free People from Mental Slavery* (Vol , 2023-06-02 Vol 2 of Free People from Mental Slavery God bestowed him with blessings for serving the world with his emancipated mind This book is based on on man s experience of making the world a better place **At Her Feet Second Edition** TammyJo Eckhart, Fox, 2024-10-15 Look beyond the fantasies of whip cracking dominatrixes and cowering slaveboys and you ll find real women and men in caring consensual female dominant relationships Yet given that social norms grant the majority of power to men how do these relationships work TammyJo and Fox have been building their female dominant relationship for many years and have gathered their most important discoveries and theories into this important manual You ll learn how to take your roles beyond the bedroom the role of rituals contracts and protocols in day to day femdom life how to achieve training and growth that complement the nature of the relationship how each individual can get his or her needs met within the context of a consensual disparity in power how to integrate fetish desires into the relationship how to cope with the realities of life illness work family without losing touch with the relationship and much more **Erotic Books of Our Naughty Ancestors vol.14** Igor Boyko, Anonymous, 2025-06-06 We are proud to present the next book of a 20 volume edition of classics of the erotic genre published before World War II A total of 104 titles are included most of them from the pen of authors who for obvious reasons wished to conceal their real names This approach on the other hand allowed them to give free reins to their unbridled imagination and go wild so that the eroticism in their works is at times over the top remaining the benchmark for the authors of contemporary obscene books Just do not try to repeat the described feats at home Well not all of them We ve warned you *Autobiography of a Flea* by Anonymous *Stanislas de Rhodes* *Julie* by Anonymous *Maude Cameron* and *Her Guardian* by Anonymous **Eighteenth-Century British Erotica, Part I vol 5** Rictor Norton, 2024-08-01 This set reprints many of the 18th century s most notorious works including eight from *The Fifteen Plagues of a Maiden Head* 1707 that resulted in highly publicized court battles and in some cases helped shape laws on
