

300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "if".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

Disciplinary Literacy Connections to Popular Culture in K-12 Settings Haas, Leslie, Tussey, Jill, 2020-11-13 Literacy and popular culture are intrinsically linked as forms of communication entertainment and education Students are motivated to engage with popular culture through a myriad of mediums for a variety of purposes Utilizing popular culture to bridge literacy concepts across content areas in K-12 settings offers a level playing field across student groups and grade levels As concepts around traditional literacy education evolve and become more culturally responsive the connections between popular culture and disciplinary literacy must be explored *Disciplinary Literacy Connections to Popular*

Culture in K 12 Settings is an essential publication that explores a conceptual framework around pedagogical connections to popular culture While highlighting a broad range of topics including academic creativity interdisciplinary storytelling and skill development this book is ideally designed for educators curriculum developers instructional designers administrative officials policymakers researchers academicians and students **Story Circle** John Hartley,Kelly McWilliam,2009-04-27

STORY CIRCLE Where once cultures valued storytellers for lauding lamenting and laughing at those in power this thoughtful book illuminates the hopes practices and achievements of the myriad amateur storytellers who populate today s globalized and digitalized cultures Sonia Livingstone London School of Economics and Political Science I warmly welcome the publication of Story Circle It provides a fascinating account of what s happened in digital storytelling so far and will be a crucial reference point for digital storytelling in the future Menna Richards Controller BBC Wales **April Activities** Lee Ellen Ehorn,Shirley J. Hewlett,1995-09-01 Our April activity book has been prepared to help teachers of lower elementary grades present good nutrition Sound nutrition as well as beneficial health habits such as sufficient rest and adequate exercise are encouraged Upon completion of this unit each child should be able to identify the five food groups and plan simple nutritional meals The study of different foods also presents children with the opportunity for language experiences in classifying Also included are holiday stories about April Fool s Day and Easter *Resources in Education* ,2001 *Teach Them ALL to Read* Elaine K. McEwan-Adkins,2009-07-15 Featuring vignettes graphic organizers instructional strategies up to date research and more this updated bestseller helps educators understand the most effective ways to teach all students to read **Research Anthology on Fandoms, Online Social Communities, and Pop Culture** Management Association, Information Resources,2022-01-28 The internet has grown to become one of the largest communication hubs in history With its ability to share content and create community bonds it has seen many fandoms and online social communities develop within the past decades While there are some detriments to these communities there are also many benefits and potential uses for the betterment of society The Research Anthology on Fandoms Online Social Communities and Pop Culture explores the ways in which the internet has presented itself as a platform for communities to gather This essential reference source discusses the engagement of these communities social media use and the uses of these communities for education Covering topics such as digital communities transmedia language learning and digital humanities this book is a vital tool for educators of K 12 and higher education digital folklorists sociologists communications researchers online administrators community leaders and academicians *Are the Kids Alright?* Linda Rose Ennis,2023-05-01 During the pandemic the focus has been on how education and social interaction with peers were integral to children s functioning However very little regard was given to another very important question how do our children feel about the pandemic and how do they process this experience Why is it assumed that cognitive functioning and social interaction are the most significant areas of child development What emotional factors are at play Are the children alright How are their families coping and does this have an impact on the

children What I hope to achieve by compiling this edited collection is to bring awareness to the child's perspective within the family unit in addition to addressing other contributing factors that had an impact on their coping mechanisms This collection will hopefully inform whether the choices that were made and should be made related to children have been sound ones and perhaps should be re-examined as a result of this book's findings conclusions and speculations
