The Complete Guide to Overcoming Traumatic Stress (ebook bundle) Ann Wetmore, Claudia Herbert, John Marzillier, 2013-01-17 Terrible events are

very hard to deal with Those who go through a catastrophic life experience such as a car accident assault long term abuse an illness or bereavement often feel permanently changed by the impact of what has happened They become numb and shut off from those around them or grief or guilt may constantly weigh them down Memories of horrifying scenes may intrude unexpectedly during waking hours while sleep may be disturbed by vivid unpleasant dreams These two practical guides on trauma and how to cope with its aftermath are written by internationally recognised trauma experts

Overcoming Traumatic Stress Claudia Herbert Ann Wetmore Based on cognitive behavioural therapy CBT this self help guide offers a step by step programme to help you to understand your traumatic experience and how it s affecting you and to start to rebuild your life Traumatic stress responses including Post Traumatic Stress Disorder PTSD result from a person s coping mechanisms having been completely overwhelmed by a terrible experience Flashbacks may be so severe that sufferers may feel that they are losing their sanity and subsequently become ever more isolated in their distress To overcome the effects of trauma it is necessary to change those reactions and begin to see events in a different light This book demonstrates with practical advice and tested exercises how to find new effective ways of coping with and finally overcoming traumatic stress

To Hell and Back John Marzillier In this innovative and engaging book world renowned psychologist John Marzillier dovetails first hand accounts from trauma sufferers with over 40 years of clinical practice to provide an honest human description of how trauma affects us at the time and also after the event Whether discussing accounts of terrorist bombings natural disasters road accidents or physical attacks he looks at what these experiences do to us and offers practical and consoling advice for both sufferers and their loved ones on coping with the experience and developing resilience for the future

EBOOK: Coaching and Trauma Julia Vaughan Smith, 2019-09-10 Why do coaches need to understand trauma This book highlights the role coaches must play and how it differs to psychotherapists in supporting clients with trauma A role that both enhances the coach s skills and supports their clients personal development Trauma isn t an event it is a lasting internal process through which the here and now of life experience is affected by the there and then of traumatising experience Vaughan Smith provides a way to understand the internal process that affects all aspects of our physical and mental wellbeing While providing an introduction to the theory of trauma the main focus is on practical application within the context of coaching distilling Franz Ruppert s theory of the surviving self and the healthy self Written for practitioners this important text raises trauma awareness addresses the what if questions many coaches have and provides a clear framework for implementation Rarely do coaching or organisational development books address the very prevalent issue of trauma and yet this is something every coach will come across in their practice This book busts the myth that trauma has nothing to do with coaching while underlining clearly how coaches can maintain appropriate boundaries A real gift to the profession and absolutely essential reading for any coaching supervisor
