Alien Orders Johnnie West, 2022-02-07. Do you know the four types of aliens that have hidden themselves amongst governments and armed services throughout the world? When Scott learns that airmen at his base had been experiencing the same thing he did for years, he ignores the order and begins digging deeper. Scott's investigation quickly snowballs from innocent research into revelations of a covert war between humans and aliens and a full-blown government conspiracy and coverup. With a group of aliens known as the Naturals going extinct, they are creating more and more alien-human hybrids to ensure their survival, a process that threatens human free will and existence.
