Soldaatje spelen onder de smaragden gordel Jan Schilt, 1989 **Soldaatje spelen onder de smaragden gordel** Jan Schilt, 1969 **Collective Memory and the Dutch East Indies** Paul M.M. Doolan, 2025-10-01 Collective Memory and the Dutch East Indies Unremembering Decolonization examines the afterlife of decolonization in the collective memory of the Netherlands It offers a new perspective on the cultural history of representing the decolonization of the Dutch East Indies and maps out how a contested collective memory was shaped Taking a transdisciplinary approach and applying several theoretical frames from literary studies sociology cultural anthropology and film theory the author reveals how mediated memories contributed to a process of what he calls unremembering He analyses in detail a broad variety of sources including novels films documentaries radio interviews memoirs and historical studies to reveal how five decades of representing and remembering decolonization fed into an unremembering by which some key notions were silenced or ignored The author concludes that historians or the historical guild bear much responsibility for the unremembering of decolonization in Dutch collective memory **Bibliography of the Indonesian Revolution** H.A.J. Klooster, 2024-12-09 Interest in the Indonesian Revolution a period of crucial importance in the history of modern Indonesia continues unabated as reflected in this bibliography The bibliography lists more than 6 000 titles related to the Indonesian Revolution 1945 1949 the West Irian issue 1950 1962 and the South Moluccan question 1950 1951 and its aftermath It is the first bibliography of such depth and scope and purports to offer a complete listing of scholarly works including unpublished theses as well as journalistic accounts pamphlets memoirs and fictional works Most of the works listed are in Indonesian Dutch or English but relevant works in French German Russian Japanese and other languages have also been included An introduction allows a first acquaintance with the mass of publications listed The titles are arranged by period and subdivided by language Indexes of authors of subjects of persons and of geographical names make it possible to access the titles in more detail **The British Library General Catalogue of Printed Books to 1975** British Library, Judi Vernau, 1985 **Unveiling Indonesia** Library of Congress, 1996 **Aanwinstenlijst Centrale Bibliotheek** Koninklijk Instituut voor de Tropen. Centrale Bibliotheek, 1990 **Mirror of the Indies** Robert Nieuwenhuys, 1982 This book is the definitive literary history of the colonial Dutch East Indies and is partially distinguished from its predecessors by its discussion of materials ranging from natural history and religious sermons to pamphlets and the accounts of travelers from the seventeenth through the twentieth centuries What emerges from this comprehensive approach is an unusually thorough and sensitive account of the manifold encounters of the Dutch with the East Indian societies that they conquered tried to understand and finally had to relinquish under the inevitable pressures of change and the desire for independence This history records how a hybrid literature emerges from that of the colonial culture to become a distinct literature of its own and why the concepts derived from European cultural history such as baroque or neoclassicism are totally inapplicable to the works discussed here **Brinkman's cumulatieve catalogus**
