

casual things we did before
we started dating..

Honestly a lot. It took this
man 2 months worth of dates
to kiss me for the first time
because he didn't want me to
think he had "intentions" I
genuinely thought he didn't
like me & almost ended
things. 💔
He then made me wait
another month before
making it official.

Story Sorcery Belinda Nell,2025-08-22 Ever wondered why your brilliant marketing campaigns land with all the grace of a giraffe on roller skates Welcome to the delightfully twisted world where neuroscience meets marketing and your customer s brain becomes your secret weapon ethically of course Story Sorcery reveals the shocking truth whilst you ve been crafting logical arguments about features and benefits your customers brains have already decided whether they fancy you or not In roughly 13 milliseconds That s faster than it takes you to realise you ve put odd socks on Drawing from cutting edge research at Harvard MIT and Stanford this book exposes the beautiful chaos happening inside every customer s head You ll discover why 95% of purchasing decisions happen unconsciously how stories literally rewire listener s brains and why Pepsi s Kendall Jenner advert became a 6 billion lesson in what not to do Inside this brain bending journey you ll learn Why your reptilian brain acts like the world s most paranoid bouncer How to speak to all three brains in your customer s head yes they have three The neuroscience behind why people queue for hours to buy things they could order online Ethical influence techniques that make customers thank you instead of tolerate you Why that visual information is processed 60 000 times faster than text statistic is complete bollocks Perfect for Marketers tired of shouting into the digital void Business owners who want customers to actually listen Anyone curious about why humans make beautifully irrational decisions People who enjoy science served with a generous helping of wit This isn t about manipulation it s about communication that works with human nature instead of wrestling against it Because understanding minds isn t just good business it s good karma Warning May cause sudden clarity about why your previous marketing felt like performing Shakespeare to a room full of goldfish

The Story Economy William Welser,2025-10-28 Regain Control Over Your Data Devices and Freedom How do you value your private data What about your job The truth is someone is selling your data and your job may be among the countless others being lost to AI at record rates Because of this abuse of technology among many others most people have lost all agency over their technology devices and information But technologist William Welser IV has a plan to help us regain control Enter The Story Economy a guide that provides fresh purchasing power in a world where opportunity feels harder and harder to grasp Within Welser outlines the need for an alternative economy where stories can become solutions to overwhelming new problems His entirely new marketplace allows us to use our stories as currency putting the data we ve voluntarily given to good use allowing us to purchase goods and services and giving us the power to see exactly where our data is going and to whom In this exciting and sometimes scary world of AI Big Tech is using all of its

tools against us to create a society in which we're lonely, broke and lost. We must take back our power and make the technology work for us to close the healthcare, education and wealth divide and in the process foster self-awareness to help us become astute decision makers and stay ahead of technology. With *The Story Economy*, Welser provides the innovative blueprint to get started.

Salesprov Andrew Aslakson, 2025-07-25 In a world increasingly driven by automation and AI, the transaction is no longer your most valuable asset; your humanity is. *Salesprov: The Book* is your strategic guide to mastering the art of improvisation and unlocking your full potential in sales and life. This isn't about abandoning your sales process or ditching your CRM; it's about infusing every interaction with the agility, authenticity and emotional intelligence that no algorithm can replicate. Written by seasoned sales leader and improviser Andrew Aslakson, this book reveals the secrets of top performers who effortlessly build rapport, handle objections with poise and create lasting relationships. You'll discover how the principles of improv comedy are the exact skills required to win in today's complex, human-centric sales landscape.

Key Learning Points:

- Embrace the Unscripted: Learn to shed rigid scripts and embrace the power of being present, turning every unexpected conversation into a valuable opportunity.
- The Power of Yes And: Transform objections from roadblocks into collaborative breakthroughs by validating a client's reality and building on it, just like a pro improviser.
- Master Active Listening: Go beyond just hearing to truly understanding the unspoken needs, motivations and pain points of your prospects.
- Build Authentic Rapport: Discover how spontaneity, empathy and the judicious use of humor can create deep, genuine connections that lead to more sales.
- Elevate Any Methodology: See how *Salesprov* acts as the operating system that breathes life and agility into any sales framework, from Challenger to MEDDPIC.
- Future-Proof Your Career: Understand why human-centered skills are your ultimate competitive advantage in an AI-driven economy.
- Cultivate an Adaptable Team: For sales leaders, this book provides a roadmap for building a resilient, high-performing team that thrives on change and creativity.

Call to Action: Stop relying on outdated tactics and start building a sales approach that's as effective as it is authentic. Whether you're a seasoned veteran or just starting your journey, *Salesprov: The Book* offers a fresh, humorous and actionable path to unstoppable success. This book will not only help you close more deals but also help you find joy, creativity and a sense of effortless confidence in your work and life.
