"Before I move from the garden to the next
Raman's mystical fable, I must let you know of a
that will offer you great aid in your personal growth. This secret is
based on the ancient principle that everything is always created
twice, first in the mind and then in reality. I have shared already
that thoughts are things, material messengers that we send out to
influence our physical world. I have also informed you that if you
hope to make remarkable improvements in your outer world you
must first start within and change the caliber of your thoughts.

"The Sages of Sivana had a wonderful way to ensure that their
thoughts were pure and wholesome. This technique was also
highly effective in transforming their desires, however simple,
into reality. The method will work for anyone. It will work for a
young lawyer who seeks financial abundance just as it will work
for a mother seeking a richer family life or a salesperson seeking
to close more sales. The technique was known to the sages as the
Secret of the Lake. To apply it, these teachers would rise at 4:00
a.m., as they felt that the early morning possessed magical
qualities from which they could benefit. The sages would then
travel along a series of steep and narrow mountain paths that
eventually led them to the lower reaches of the region they
inhabited. Once there, they would walk along a barely visible trail
lined with magnificent pine trees and exotic flowers until they
arrived at a clearing. At the edge of the clearing was an aqua blue
lake covered by thousands of tiny white lotuses. The water of the
lake wa truly a miraculous sight.
