Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries

What Readers Do Beth Driscoll, 2024-02-21 Shining a spotlight on everyday readers of the 21st century Beth Driscoll explores how contemporary readers of Anglophone fiction interact with the book industry digital environments and each other We live in an era when book clubs bibliomemoirs Bookstagram and BookTok are as valuable to some readers as solitary reading moments The product of nearly two decades of qualitative research into readers and reading culture What Readers Do examines reading through three dimensions aesthetic conduct moral conduct and self care to show how readers intertwine private and social behaviors and both reinforce and oppose the structures of capitalism Analyzing reading as a post digital practice that is a synthesis of both print and digital modes and on and offline behaviors Driscoll presents a methodology for studying readers that connects book history literary studies sociology and actor network theory Arguing for the vitality agency and creativity of readers this book sheds light on how we read now and on how much more readers do than just read

Still Reading Romance Josefine Smith, Kathleen W. Taylor Kollman, 2025-04-01 In a world that commodifies feminism is adapting romance novels for small and big screen projects and the Romance Writers Association is evolving to a more inclusive representative group it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre It is time to question the cultural capital of traditional archetypes explore the experience of romance readers and question how romance and cultural studies researchers create quantitative qualitative and mixed methods research This work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology By having access to this pool authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction and potentially reflect on changes since Janice Radway's seminal work The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a

more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok No other book in romance or popular culture studies identifies a data set as the connecting element and to do so creates an exciting opportunity to create a more inclusive study of popular romance offer truly interdisciplinary research on the question of how readers read romance and generate diverse areas of future scholarship This edited volume explores multiple issues in romance fiction based on survey data from real romance readers An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s this time scholars explore romance readers habits and attitudes in the twenty first century Each contributor in this volume uses the same survey data to make unique statements about gender intersectionality popular fiction and popular culture By using a common data set but approaching it from different perspectives this unique volume is able to apply multiple methodologies to the same subject

Rosen, 2024-06-04 Named An Anticipated Summer Read by Bustle Katie Couric Media SheReads New York Live Woman s World and more A woman inherits a beach house along with a series of weekend guests while butting heads with the irritable and irritatingly handsome man next door in this sparkling new escape from Jane L. Rosen When a Zoom disaster upends Addison Irwin s decade long career at a posh Manhattan advertising agency things look bleak for the thirty something mid western transplant But an

unexpected inheritance from an aunt she barely remembers a property on Fire Island complete with guest house and artist s studio changes everything While debating whether to stay or sell Addison learns that she s also inherited her aunt s list of eclectic guests tying her to the island for seven summer weekends Eager to convince Addison to keep the house rather than let a new buyer build a monstrosity in its place the neighbors welcome her to their laid back community Well all except the moody guy next door who seems intent on glowering his way through life Steadfast in her path since college Addison is determined not to let this detour on Fire Island throw her off track But soon between the revolving door of weekend visitors and the up and down relationship with her neighbor and his adorable dog she finds herself in unfamiliar territory Should she try to pick up where she left off or embrace entirely new possibilities
