Robert Smith

Habit Building Planner Readers Choice:

Growing Readers Kathy Collins, 2004 Primary grade teachers face an important challenge teaching children how to read while enabling them to build good habits so they fall in love with reading Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence intention and joy as readers In *Growing Readers* Kathy Collins helps teachers plan for independent reading workshops in their own classrooms She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong well rounded readers Kathy outlines a sequence of possible units of study for a yearlong curriculum Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini lessons and reading conferences There are also four Getting Ready sections that suggest some behind the scenes work teachers can do to prepare for the units Topics explored in these units include print and comprehension strategies reading in genres such as poetry and nonfiction connecting in school reading and out of school reading developing the strategies and habits of lifelong readers A series of planning sheets and management tips are presented throughout to help ensure smooth implementation We want our students to learn to read and we want them to love to read To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day The ideas found in *Growing Readers* create the kind of primary classrooms where that happens

Great Habits, Great Readers Paul Bambrick-Santoyo, Aja Settles, Juliana Worrell, 2013-05-29 A book that brings the habits of reading to life Great readers are not made by genetics or destiny but by the habits they build habits that are intentionally built by their teachers The early formal years of education are the key to reversing the reading gap and setting up children for success But K 4 education seems to widen the gap between stronger and weaker readers not close it Today the Common Core further increases the pressure to reach high levels of rigor What can be done This book includes the strategies systems and lessons from the top classrooms that bring the habits of reading to life creating countless quality opportunities for students to take one of the most complex skills we as people can know and to perform it fluently and easily Offers clear teaching strategies for teaching reading to all students no matter what level Includes more than 40 video examples from real classrooms Written by Paul Bambrick Santoyo bestselling author of *Driven by Data* and *Leverage Leadership* *Great Habits Great Readers* puts the focus on learning habits reading habits guided reading and independent reading NOTE Content video and other supplementary materials are not included as part of the e book file but are available for download after purchase

Master Deep Reading Robert Smith, 2025-05-15 *Master Deep Reading A Mindful Life Series Book* is an insightful guide designed for anyone seeking to transform their reading habits and reconnect with the deeper joys of the written word With thoughtful exploration of how modern life has impacted our attention spans this book gently challenges the reader to move beyond
