International Bestseller Myth Retelling Novel:

Ariadne Jennifer Saint, 2021-03-30 The mesmerising retelling from the woman at the heart of one of Ancient Greece's most famous myths I absolutely adored this book and am encouraging everyone I know to buy a copy **READER REVIEW** The last few pages will easily become tear soaked I loved every minute of this book **READER REVIEW** A lyrical insightful retelling **Daily Mail** If you like Madeline Miller's *Circe* and *Song of Achilles* you will eat up *Ariadne* Saint makes it a page turner **Glamour** Exquisitely written and exceptionally moving this is a mythical retelling to savour **Elodie Harper** author of *THE WOLF DEN* **ARIADNE** gives voice to the misused Princess of Crete who betrayed her father to save Theseus from the Minotaur Relevant and revelatory **Stylist** *Ariadne* Princess of Crete and daughter of the fearsome King Minos grows up hearing stories of gods and heroes But beneath the golden palace something else stirs the hoofbeats and bellows echoing from the Labyrinth below Every year its captive the Minotaur *Ariadne*'s brother demands blood When Theseus Prince of Athens arrives as a sacrifice to the beast *Ariadne* sees in him her chance to escape But helping Theseus kill the monster means betraying her family and country and *Ariadne* knows only too well that drawing the attention of the mercurial gods may cost her everything In a world where women are nothing more than the pawns of powerful men will *Ariadne*'s decision to risk everything for love ensure her happy ending Or will she find herself sacrificed for her lover's ambition **ARIADNE** gives a voice to the forgotten women of one of the most famous Greek myths Beautifully written and completely immersive this exceptional debut novel is perfect for fans of *CIRCE* *A SONG OF ACHILLES* and *THE SILENCE OF THE GIRLS* With her wonderfully executed debut that reimagines the classic tale of Theseus *Ariadne* and the Minotaur Jennifer Saint joins the likes of Madeline Miller and Pat Barker in forging mesmerising retellings of ancient Greek myths from a female perspective **Waterstones.com** Saint's immersive novel thrusts the reader straight into the heart of Greek mythology with this wonderful reimagining of the story of *Ariadne* **iPaper** What happens after the monster is defeated and the princess leaves with the hero Jennifer Saint's *ARIADNE* is a shimmering tapestry of two sisters bound by deceit and the shadows of family history With a fresh voice and keen insight Saint adds flesh and bone to an ancient myth drawing the reader into an uneasy world of ever afters **Yangsze Choo** **New York Times** bestselling author of *THE NIGHT TIGER* **WHAT THE READERS ARE SAYING** Stunning writing fabulous storytelling and surprisingly real characters who you could empathise with This is an essential book in the new and rising volume of retelling from the women's point of view so revealing and questioning The ending 5 pages of this book killed me So real so matter of fact like a good chat on a girls night out *THEY BITE* Jonathan Maberry, David F. Kramer, 2009-08-25 From two award winning authors a collection of horror legends and folklore from the world of supernatural and paranormal storytelling The ultimate guidebook to the horrific roots and modern day expressions of our darkest fears with contributions from the modern masters of the macabre Wary mortals have always lived in fear of monsters that feast on human flesh and blood to energize their evil essence Every culture and country has its demons and since

earliest times we've tried to capture these supernatural predators through the power of storytelling. But they refuse to be tamed. Join Bram Stoker Award winners Maberry and Kramer on a chilling journey into the nature of the beast. You'll unearth graves and venture into forbidden caves and forests to discover the evolution of supernatural predators throughout centuries of scares. From ancient heroes battling dragons to wary vampire hunters opening cobweb-enshrined coffins, this compendium of creepy creatures tracks the monsters of our imagination from the whispered fireside tales of old to the books, comics, and films that keep us shivering on the edges of our seats with delight and fascination.

The Oxford Companion to Fairy Tales Jack Zipes, 2015. This Oxford companion provides an authoritative reference source for fairy tales, exploring the tales themselves, both ancient and modern, the writers who wrote and reworked them, and related topics such as film, art, opera, and even advertising.

Rewriting the Ancient World, 2017-07-03. Rewriting the Ancient World looks at how and why the ancient world, including not only the Greeks and Romans but also Jews and Christians, has been rewritten in popular fictions of the modern world. The fascination that ancient society holds for later periods in the Western world is as noticeable in popular fiction as it is in other media, for there is a vast body of work either set in or interacting with classical models, themes, and societies. These works of popular fiction encompass a very wide range of society and the examination of the interaction between these books and the world of classics provides a fascinating study of both popular culture and an example of classical reception.

Crossover Fiction Sandra L. Beckett, 2010-11-24. In Crossover Fiction, Sandra L. Beckett explores the global trend of crossover literature and explains how it is transforming literary canons, concepts of readership, the status of authors, the publishing industry, and bookselling practices. This study will have significant relevance across disciplines as scholars in literary studies, media and cultural studies, visual arts, education, psychology, and sociology examine the increasingly blurred borderlines between adults and young people in contemporary society, notably with regard to their consumption of popular culture.

The American Popular Novel After World War II David Willbern, 2013-04-05. Through the perspectives of selected best-selling novels from the end of World War II to the end of the 20th century, including *The Catcher in the Rye*, *To Kill a Mockingbird*, *The Godfather*, *Jaws*, *Beloved*, *The Silence of the Lambs*, and *Jurassic Park*, this book examines the crucial issues the U.S. was experiencing during those decades. These novels represent the voices of popular conversations as Americans considered issues of family, class, racism, and sexism, feminism, economic ambition, sexual violence, war, law, religion, and science. Through the windows of fiction, the book surveys the Cold War and anti-communism, the prefeminist era of the 1950s and the sexual revolution of the 1970s, forms of corporate power in the 1960s and 1980s, the traumatic legacies of slavery and Vietnam, the American fascination with lawyers, cops, and criminals, alternate styles of romance in the era of late capitalism, our abiding distrust of science, and our steadfast wonder about the Great Mysteries.

The Routledge Encyclopedia of Indian Writing in English Manju Jaidka, Tej N. Dhar, 2023-09-29. Today Indian writing in English is a field of study that cannot be overlooked. Whereas at the turn of the 20th century writers from India

who chose to write in English were either unheeded or underrated with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English Showcasing the burgeoning field of Indian English writing this encyclopedia documents the poets novelists essayists and dramatists of Indian origin since the pre independence era and their dedicated works Written by internationally recognized scholars this comprehensive reference book explores the history and development of Indian writers their major contributions and the critical reception accorded to them The Routledge Encyclopedia of Indian Writing in English will be a valuable resource to students teachers and academics navigating the vast area of contemporary world literature

Literature for Young Adults Joan L. Knickerbocker, James A. Rycik, 2019-08-28 Now in its second edition this book explores a great variety of genres and formats of young adult literature while placing special emphasis on contemporary works with nontraditional themes protagonists and literary conventions that are well suited to young adult readers It looks at the ways in which contemporary readers can access literature and share the works they re reading and it shows teachers the resources that are available especially online for choosing and using good literature in the classroom and for recommending books for their students personal reading In addition to traditional genre chapters this book includes chapters on literary nonfiction poetry short stories and drama and film Graphic novels diversity issues and uses of technology are also included throughout the text The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their peers and others when communicating about books This book is an essential resource for preservice educators to help young adults understand and appreciate the excellent literature that is available to them New to the second edition New popular authors books and movies with a greater focus on diversity of literature Updated coverage of new trends such as metafiction a renewed focus on nonfiction and retellings of canonical works Increased attention to graphic novels and multimodal texts throughout the book eResources with downloadable materials including book lists awards lists and Focus Questions

The Routledge International Handbook of Globalization Studies Bryan Turner, 2013-01-11 The Routledge International Handbook of Globalization Studies offers students clear and informed chapters on the history of globalization and key theories that have considered the causes and consequences of the globalization process There are substantive sections looking at demographic economic technological social and cultural changes in globalization The handbook examines many negative aspects new wars slavery illegal migration pollution and inequality but concludes with an examination of responses to these problems through human rights organizations international labour law and the growth of cosmopolitanism There is a strong emphasis on interdisciplinary approaches with essays covering sociology demography economics politics anthropology and history The Handbook written in a clear and direct style will appeal to a wide audience The extensive references and sources will direct students to areas of further study

Regenerating the Feminine April C. Heaslip, 2025-08-15 Mythologists work as cultural animateurs tracking patterns and trends identifying archetypal and symbolic wounds and

remedies Reading cultural and environmental events via texts and patterns from such a perspective enables dynamic dialogue and action Regenerating the Feminine Psyche Culture and Nature examines the history of the lost and degraded archetypal feminine of Western cultures whose resurgence in scholarship the arts and social justice practices is now on the rise Drawing on various methodologies to deepen our understanding of this regenerative phenomenon author April C Heaslip charts the significance of interconnected expressions dramatically impacting our sense of self community history health culture and creativity This study examines the feminine s resurgence via emerging imaginal archetypal paradigms in literary fiction memoir and cinematic expression Utilizing literary and film studies depth psychology archaeomythology history and religious studies to examine the cultural and personal phenomenon of feminine renewal this book explores how remythologizing regeneration as well as remapping complex and neglected personal and collective wasteland landscapes revitalizes the relationship between psyche culture and nature Tending to the return of the feminine and the complex cultural and eco wastelands this post Jungian inquiry remythologizes notions of wholeness amplifies feminist revisions of Joseph Campbell s hero s journey and provides transdisciplinary best practices in support of personal individuation cultural revitalization and ecological healing
