[Feminist Perspectives on Law and Literature](#) Laura Schmitz-Justen, Laura A. Zander, Hanna Luise Kroll, Laura Wittmann, 2025-04-21 The interdisciplinary study of law and literature can help us better understand intersectionality and vice versa intersectional feminist perspectives are extremely valuable in the study of law and literature Of course neither feminist nor intersectional approaches are new in and of themselves for decades literary scholarship has studied the impact of particular constellations of gender race and class when it comes to representations of women in literary texts and has succeeded in shaking monolithic and stereotypical notions of womanhood However research at the intersection of law literature and feminism has so far been limited and insular Bringing together more than twenty international researchers from related disciplines this volume is the first to bring questions of intersectional feminism to the forefront of law and literature scholarship From reproductive and trans gender justice in law and literature to feminist practices that intervene in judicial discourse this volume brings into focus a wide range of cultural and legal phenomena in which gender and the law intersect in literary texts The volume's commitment to intersectionality fittingly extends to its very make-up the contributors were selected to

represent a diverse range of positions in terms of their gender career stage and nationality

A Hundred Years of Bibliotherapy Siobhan Campbell, Sara Haslam, Edmund G. C. King, 2025-05-16 The First World War gave new and vital impetus to the ancient idea that books could heal This interdisciplinary collection provides a targeted survey of 100 years of historical and contemporary understandings and practices of the book as cure The contributors explore the curative practices of wartime reading how they were developed and institutionalized after the war and the afterlives of these ideas and practices today Divided into three sections the first considers bibliotherapy in World War I It is rooted in the wartime cultures which ensured bibliotherapy became part of the active treatment of soldiers damaged minds and bodies on both sides of the Atlantic after 1914 Parts two and three examine the expanding variety of critical contexts both historical and more modern in which reading and wellbeing continued to intersect The chapters draw on a wide range of source material from trench magazines to autograph books to e novels as well as on data and information drawn from practice based encounters They also provide the basis for further scholarly exploration of for example national traditions and contexts and the inter disciplinary relationships which they inspire A Hundred Years of Bibliotherapy Healing through Books provides the first interdisciplinary dialogue on and account of bibliotherapy addressing both historical and present day modes of engaging with the ostensibly curative power of reading and reading cultures It is an invaluable resource for scholars of literary studies book history and the medical humanities [Claire Skimps It](#) Daniel Wipsbury, 2024-03-20 1 TOP TIER GIRL EXPERIENCE A Swooning Bookish Girlfriends Read You re hauled into this series and the enchanting Princess of Kettershire must dive headfirst into a whirlwind of self discovery blending soul searching drama with heart fluttering romance By day the brainy scribe in Claire Scottish would have her crafting Hollywood tales in the glitzy hills of L A But when the sun sets her adventures with journalist confidante Brenna Branson lead her to unexpected encounters notably with the captivating Julian Little did she know her life would take a thrilling turn involving the Camilla School of Arts and Social Sciences a covert agency named S S and the irresistibly charming Jack Navigating through a sea of Hollywood hotties and secret agent intrigue she finds herself entangled in a web of emotions Will she let the allure of the California scene distract her or will her seemingly emotionless facade crumble in the face of unexpected love Unveil the layers of her stylish journey filled with longing looks sweet talk and a touch of royalty *Our Secret Moments* Janisha Boswell, 2025-05-05 Catherine Fables is a planner and a fixer She s lived her life to a set of rules that she s certain will guarantee success When a wrench is thrown into the framework of her steady routine she has to work around it or through it As a journalism major good reviews mean everything to her so when nobody wants to take over the college football newspaper she takes the opportunity by the horns Or the helmet I guess Connor Bailey quarterback for the Drayton Titans can only try to fix the one thing that matters the most to him His team He s confident in most of the ways that matter flirtatious personality convinced he s got the biggest ego You get the idea One thing he s not so good at Talking to people about himself He could talk for hours about football but

What We Talk About When We Talk About Books Leah Price,2019-08-20 Reports of the death of reading are greatly exaggerated Do you worry that you've lost patience for anything longer than a tweet If so you're not alone Digital age pundits warn that as our appetite for books dwindles so too do the virtues in which printed bound objects once trained us the willpower to focus on a sustained argument the curiosity to look beyond the day's news the willingness to be alone The shelves of the world's great libraries though tell a more complicated story Examining the wear and tear on the books that they contain English professor Leah Price finds scant evidence that a golden age of reading ever existed From the dawn of mass literacy to the invention of the paperback most readers already skimmed and multitasked Print era doctors even forbade the very same silent absorption now recommended as a cure for electronic addictions The evidence that books are dying proves even scarcer In encounters with librarians booksellers and activists who are reinventing old ways of reading Price offers fresh hope to bibliophiles and literature lovers alike Winner of the Phi Beta Kappa Christian Gauss Award 2020
