Rethinking Chinese Popular Culture Carlos Rojas, Eileen Chow, 2008-12-08 Through analyses of a wide range of Chinese literary and visual texts from the beginning of the twentieth century through the contemporary period the thirteen essays in this volume challenge the view that canonical and popular culture are self evident and diametrically opposed categories and

instead argue that the two cultural sensibilities are inextricably bound up with one another. An international line up of contributors present detailed analyses of literary works and other cultural products that have previously been neglected by scholars while also examining more familiar authors and works from provocative new angles. The essays include investigations into the cultural industries and contexts that produce the canonical and popular, the position of contemporary popular works at the interstices of nostalgia and amnesia and also the ways in which cultural texts are inflected with gendered and erotic sensibilities while at the same time also functioning as objects of desire in its own right. As the only volume of its kind to cover the entire span of the 20th century and also to consider the interplay of popular and canonical literature in modern China with comparable rigor, *Rethinking Chinese Popular Culture* is an important resource for students and scholars of Chinese literature and culture.

Sorcerer (witch urban fantasy)
David Neth, 2021-08-09

Mind your secrets. Samantha and Steven's wedding day has finally arrived. As the bride and groom and their wedding party prepare for the big day, Talia, the officiant of the wedding who is a witch herself, collapses and is taken to the hospital. Seeing her sister begin to panic that her wedding is falling apart, Kathy uses magic to find another officiant, but her spell summons Augustus, a sorcerer who has his own agenda. Unbeknownst to Kathy, she wasn't alone when she cast the spell, which gives Steven's mother the ammunition she's been looking for to put a stop to the wedding. While the sisters are preoccupied with preparing for the big day, a news reporter shows up and catches the use of magic on camera. With the wedding day effectively ruined, Samantha and Kathy must figure out how to put their secret back in the bottle. To make matters worse, Augustus disappears.

and all the signs point to Talia's collapse being connected to his arrival. In order to stop Augustus and keep their secret, Samantha and Kathy must rely on help from others, which seems impossible to do when their home is surrounded by news reporters. *Sorcerer* is the fifth book in the Coven series, which serves as a prequel series to the *Under the Moon* series.

The Media War on Black Male Youth in Urban Education Darius Prier, 2017-03-27. News, media, film, and the music industry have become powerful sources of misrepresentation of Black male life in the social imagination of white society. The pedagogy of popular culture has important implications for educators and youth advocates who desire to challenge the myths and distortions that ultimately harm youth. This volume raises awareness of the media war on Black male youth in popular culture and the impact this image battle has on the discriminatory treatment of the population in urban educational settings. Citing the recent controversial deaths of Trayvon Martin and Jordan Davis, the portrayal of Black males in contemporary films, and the locus of hip hop masculinities, this volume offers a unique framework for analyzing how contemporary image making practices affect Black male youth in urban

education It also offers ethical considerations for educators in their critique consumption and reading of Black male subjectivity in media and provides avenues for practical applications of critical media literacy on the ground
