Filterworld Kyle Chayka, 2025-01-21 From New Yorker staff writer and author of *The Longing for Less* Kyle Chayka comes a timely history and investigation of a world ruled by algorithms which determine the shape of culture itself From trendy restaurants to city grids to TikTok and Netflix feeds the world round algorithmic recommendations dictate our experiences and choices The algorithm is present in the familiar neon signs and exposed brick of Internet cafes be it in Nairobi or Portland and the skeletal modern furniture of Airbnbs in cities big and small Over the last decade this network of mathematically determined decisions has taken over almost unnoticed informing the songs we listen to the friends with whom we stay in touch as we've grown increasingly accustomed to our insipid new normal This ever tightening web woven by algorithms is called *Filterworld* Kyle Chayka shows us how online and offline spaces alike have been engineered for seamless consumption becoming a source of pervasive anxiety in the process Users of technology have been forced to contend with data driven equations that try to anticipate their desires and often get them wrong What results is a state of docility that allows tech companies to curtail human experiences human lives for profit But to have our tastes behaviors and emotions governed by computers while convenient does nothing short of call the very notion of free will into question In *Filterworld* Chayka traces this creeping machine guided curation as it infiltrates the furthest reaches of our digital physical and psychological spaces With algorithms increasingly influencing not just what culture we consume but what culture is produced urgent questions arise What happens when shareability supersedes messiness innovation and creativity the qualities that make us human What does it mean to make a choice when the options have been so carefully arranged for us Is personal freedom possible on the Internet To the last question *Filterworld* argues yes but to

escape Filterworld and even transcend it we must first understand it Child as Citizen Giuliana Fenech,2025-08-15

Murphy Emilie Owens Nicola Parker Patrycja Poniatowska Meg Rosoff and Farriba Schulz Child as Citizen Agency and
Activism in Children s Literature and Culture addresses children s and young adult agency and activism across literature and
culture demonstrating how these forces influence child citizenship Contributors to this volume highlight the agentic voices
and activist practices that are growing across all spheres of young people s lives as well as the challenges to active
citizenship that children growing up in unjust sociopolitical contexts face The volume is interdisciplinary and draws on the
sociology of childhood children s literature studies youth culture studies media technology and cultural studies and
Anthropocene ecofeminist and disability studies Agency occurs in and around literature and storytelling and this collection
establishes how it is always influenced by identity as well as geopolitics how it is both subjective and collective how it is
cultural and embodied and how like citizenship it is not a static status but rather an ongoing negotiation In this collection
contributors invite readers to consider agency as a system of relations between children themselves between children and
adults children and institutions and children and nation states as well as between children and the nonhuman This book
reviews the interconnectedness between these relationships and attempts to untangle some of the complications that emerge

Educational Research and Innovation What Does Child Empowerment Mean Today? Implications for Education and Well-being

OECD,2024-05-15 Childhood is changing in ways that we are still unpacking affected by digitalization globalization and climate change as well as shocks such as the COVID 19 pandemic In many OECD education systems child empowerment is increasingly an explicit aim of policies and practices But it is often poorly defined which risks turning it into a mere slogan With the advancement of children's rights children are increasingly being included as stakeholders in decision making processes This report gives examples of how children in OECD countries can and do participate in making decisions about issues that affect them The report examines children's emotional well being and physical activity and the role of schools as a physical space to create and support relationships It also underlines the untapped potential of media education when it comes to seizing opportunities in childhood Empowering all children to make the most of digital opportunities starts with further narrowing the gap in terms of access to digital tools and the Internet where inequalities are persistent and pervasive So what does child empowerment mean today Empowered children have the opportunity and ability to act on issues important and relevant to them can learn by making mistakes and are key contributors to democracy
