Ovid's Metamorphoses

Ovid, 2023-11-07 Ovid s *Metamorphoses* is the original source for classical mythology Combining the best known versions of tales from Icarus to Medusa Ovid s epic compendium of Greco Roman legend has exerted an influence on European art and culture rivaled only by the Bible Yet despite it being the magnum opus of Rome s cleverest and most creative poet centuries of conservative translators have robbed the poem of its subversive force as a book length exploration of power where heroes are drained of their heroism victims are given their say and the earth is always holier than heaven Coming at a political moment singularly resonant with Ovid s sympathy toward the oppressed this boldly poetic translation matches Ovid s style while incorporating the latest scholarship on a work equal parts canonical and revisionist Complete with annotations glossary and illustrations this edition will bring fresh insights to both returning readers and those encountering the poem for the first time
