Fox, 2024-07-05 This pioneering Handbook surveys the research landscape of strategic leadership in what is referred to as the Fourth Industrial Revolution, a fusion of technologies and systems which blurs the boundaries between the digital, physical, and biological spheres.

Leading Leaders Aubrey Malphurs, 2005-04-01 The key to effective leadership in the vast majority of today's churches lies as much with their governing boards as it does with their pastor. But many churches are led by those who volunteer to chair committees because there is a need yet they have no leadership training to speak of. How can we mean well but sometimes ill-prepared lay people guide the path of a church body? The secret lies in offering effective, practical training. Leadership expert Aubrey Malphurs provides this in *Leading Leaders: Filling a Gaping Hole in Leadership Literature*. Malphurs offers workable strategies to train laypeople to successfully lead their churches.

Being Leaders Aubrey Malphurs, 2003-09 Not all definitions of leadership are equal. This book helps pastors minister effectively by understanding the unique nature of being a Christian leader. *The Healthy Churches' Handbook* Robert Warren, 2014-12-09 A practical guide that helps churches identify their strengths and weaknesses and discover what action to take in order to develop the health of their church. It focuses on the quality of the church's life rather than just the numbers attending.
