YouTube for Authors Dale L. Roberts, 2025-06-07 You ve thought about using YouTube but the process feels overwhelming and unclear This book simplifies every step You ve heard YouTube can help authors reach more readers sell more books and build a lasting platform but figuring out how to get started can feel overwhelming Between the gear the editing and the algorithm many writers give up before they even begin This book is here to change that In YouTube for

Authors Dale L Roberts shares the exact steps he used to grow multiple monetized channels reach over 120 000 subscribers and turn video content into consistent visibility and book sales You ll learn how to make YouTube work for your author career without burning out overspending or wasting time chasing trends Whether you re starting from scratch or need a clearer direction this guide shows you how to build a channel that fits your goals grows your readership and supports your writing life You ll learn how to Create videos that attract the right readers Grow your channel without expensive gear or editing skills Use YouTube s built in tools to get discovered Promote your books in a way that feels natural Earn money through ads affiliate links and sponsorships Stay consistent while protecting your writing time You ll love this book because it makes YouTube feel doable even if you ve never uploaded a single video Get it now **The Face-to-Face Book** Ed Keller,Brad Fay,2012-05-22 THE BEST MARKETING BOOK OF THE YEAR Winner of the American Marketing Association s Berry AMA prize In 1848 gold was discovered in California setting off a frenzy that sent men and women from across the American continent flocking to the West Coast in search of fortune The Gold Rush brought wealth to some but most left empty handed Today marketing consultants Ed Keller and Brad Fay say social media is unleashing a new kind of frenzy Blinded by the shiny allure of sites like Facebook and Twitter companies are spending billions pinning their hopes on social media marketing without appreciating how social influence truly functions in the marketplace That s where Keller and Fay come in For the past six years they have undertaken a unique ongoing study of consumer conversations The surprising result Over 90 percent of consumer conversations still take place offline primarily face to face The implication is clear Social media is big and growing but it is dwarfed by the real world in which people live and interact Make no mistake There is a hugely important social wave rolling across the world of business today New scientific evidence reveals that we humans are fundamentally social beings for whom social influence determines nearly every decision we make And the greatest impact comes when those conversations happen face to face as emotions and nonverbal cues are communicated along with words In The Face to Face Book Keller and Fay offer key insights and recommendations for how businesses both large and small can best succeed in today s socially motivated consumer marketplace by looking at how consumers act in real life as well as online The authors share their extensive research and the stories of companies large such as Apple General Mills Kimberly Clark and Toyota as well as innovative small businesses that have hit pay dirt with a balanced and holistic approach to social marketing They also discuss those that have bet big and lost by overcommitting to online social media alone The Face to Face Book does not overlook the extraordinary growth and importance of social media which offers important new tools for businesses of all kinds however the authors caution against placing too grand a bet on online social media at the expense of other forms of social marketing This book is a celebration of the supremely social nature of all human beings and how that drives the consumer marketplace It s a story that will leave you thinking anew and talking Current Perspectives on Literary Reading Dari Escandell,José Rovira-Collado,2019-11-07 This collection aims to provide answers regarding what the most recent

trends are in research in literary reading Based on that premise it contains a rigorously selected and varied roster of investigations that focus on presenting and attempting to interpret and understand the most recent literary trends or tendencies as well as the reasons for the propensities they create among the masses of young and adult readers This selection of texts in English Catalan and Spanish will give the reading specialist an idea of where today s trends are headed and how they point towards the formation of a new paradigm in matters of literature
