Year One Phonics Screening Check

What is phonics?

Children begin to learn phonics (sounds) in early years and reception classes. Once children begin learning sounds, these sounds are used orally to identify and make words. They will then begin to learn the letters which make each of the sounds and these are used to read and spell words.

In the check, when the first letter sounds that are taught are 's', 'a', 'm', 'g', 'o' and 't'. These can immediately be blended for reading to make simple CVC words (consonant, vowel, consonant) e.g. sat, mat, got. Children learn blending (segmenting) for reading orally, breaking the word into sounds to spell it out.
