than the first This book is amazing Once you start reading you won't be able to put it down and you won't want to put it down There are so many twists and turns when you think you have things figured out everything changes Luthias is more prominent in this book and it was great getting to know him better There were times I wanted to slap Casey and just ask her why Lol Vampire Land is the main focal point and there are a few new characters there that are great and well developed All the characters matured so much throughout the book and it was definitely an emotional roller coaster the entire story whether it was because of Casey Geo and Luthias or her just trying to figure out how to become a vampire queen Casey really goes through some major struggles this story and I really liked how she grew as a person the entire story Vampire Witch Eileen Sheehan, 2016-01-01 She falls for two handsome vampire brothers Now she must choose Lovers of VAMPIRE DIARIES or TRUE BLOOD will enjoy this Bronze Medal Award Winning story Discovering the mother that you thought was dead for over a decade is very much alive will shake your world And so begins Casey's dilemma Add to that her mother has become a mutant vampire and has promised her in marriage to a wicked vampire king in order to unite the two kingdoms Now let's combine that with the fact that the bearer of such news is a hot and sexy guy who turns out to be a vampire and he steals her heart Then to top it off she finds that he has an equally hot vampire brother vying for her love and who she just might have feelings for too Ready or not Casey's life just took a turn for the strange Join Casey in this sizzling action packed first book of a paranormal romance thriller trilogy HERE IS WHAT A FEW READERS ARE SAYING ABOUT BOOK ONE OF THE STEAMY AND EXCITING VAMPIRE TRILOGY From Reader's Favorite Award Review Eileen Sheehan's vivid depiction of a post apocalyptic world illustrates how dire situations can become Casey's recollection of her mother dying by gunfire was horrifying Casey's initial mistrust of Geo was relatable If some smelly dirty man approached me it could be alarming Sybil's reaction to Casey was strange Since she was a mutated vampire I doubted she mothered Casey The supporting characters were well developed and their importance builds throughout the story It shocked me to learn that Geo was more than just a messenger The unpredictable plot took several twists and kept me hooked until the end I look forward to reading more in the sequel I recommend Vampire Witch Trilogy to readers who like dystopian stories with vampires mutants and rebel survival Other Reviews Whoa I desperately want to grab the next book in the series now The brilliant synopsis and early reviews create such a hype before you even open the book you feel like you already know the characters I thought it would spoil some of elements of surprise but no it doesn't The story is fast paced gripping emotional and steamy I can't recommend this book highly enough and I will be adding this epic author to my fave list It grabbed my attention and I seriously couldn't put it down until I finished it that same day The plot was excellent Definitely different from anything I've read All the characters were well thought out and I felt like I really knew them This book just sucked me in I just cannot say enough good things This author goes to the top of my favs list I will never look at a paranormal book about vampires the same again This book deals with humans mutant humans vampires mutant vampires a New World Order after a nuclear war and the hatred between the

groups What happens throughout this book had me unable to put it down but man alive it was intense One of those reads that if I said anything else about this book I would be giving away key pieces There are so many things going on in this book Things that I did not expect to happen did Things that I did expect to happen did not The intrigue mystery and thrills in this book kept me on my toes This book was so good From the first page I was hooked and it only got better The romance was sweet and a bit forbidden The story was intense and fast paced and kept my attention the entire time The characters were very well developed and relatable I just really enjoyed this story and highly recommend it Vampire Witch by Eileen Sheehan is a steamy new adult novel guaranteed to smoke your socks off if you like hot vampire romance This story is told beautifully Pick up this book You will not be disappointed Well worth 5 stars **Vickie: Doctor by day.
