The Book of Minds Philip Ball,2022-06-28 Popular science writer Philip Ball explores a range of sciences to map our answers to a huge philosophically rich question How do we even begin to think about minds that are not human Sciences from zoology to astrobiology computer science to neuroscience are seeking to understand minds in their own distinct disciplinary realms Taking a uniquely broad view of minds and where to find them including in plants aliens and God Philip Ball pulls the pieces together to explore what sorts of minds we might expect to find in the universe In so doing he offers for the first time a unified way of thinking about what minds are and what they can do by locating them in what he calls the space of possible minds By identifying and mapping out properties of mind without prioritizing the human Ball sheds new light on a host of fascinating questions What moral rights should we afford animals and can we understand their thoughts Should we worry that AI is going to take over society If there are intelligent aliens out there how could we communicate with them Should we Understanding the space of possible minds also reveals ways of making advances in understanding some of the most challenging questions in contemporary science What is thought What is consciousness And what if anything is free will Informed by conversations with leading researchers Ball s brilliant survey of current views about the nature and existence of minds is more mind expanding than we could imagine In this fascinating panorama of other minds we come to better know our own

Space Patrol Jean-Noel Bassior,2015-05-07 Before Star Trek there was Space Patrol Science fiction television has its roots in this live action packed series that captured the imagination of Americans from 1950 to 1955 when space travel was just a dream This book explores the freewheeling spirit of live TV where anything could go wrong before millions of viewers and often did It spotlights often in personal interviews the risk taking Space Patrol cast and crew who laid vital groundwork for television today Included are episode logs for both television and radio shows as well as a complete guide to Space Patrol memorabilia

Halo: A Space Opera from Bungie Loïc Ralet,2023-01-01 Halo When you read this name a soundtrack starts playing in your ears and tons of images flash in front of your eyes A whole universe

appears in your mind Welcome to the game series imagined and produced by the Bungie studio Halo is more than an incredible space opera it is the flagship of a community and the most important franchise for one of the three hardware manufacturers on the market *Transmedia/Genre* Matthew Freeman,Anthony N. Smith,2023-02-05 This book brings genre back to the forefront of the current transmedia trend Genres are perhaps the most innately transmedial of media constructs formed as they are from all kinds of industrial technological and discursive phenomena Yet few have considered how genre works in a multiplatform context This book does precisely that making a uniquely transmedial contribution to the study of genre in the age of media convergence The book interrogates how industrial technological and participatory transformations of digital platforms and emerging technologies reshape workings of genre The authors consider franchises such as Star Wars streaming platforms such as Netflix catch up services such as ITV Hub creative technologies such as virtual reality and beyond In setting the stage for the revival of genre theory in contemporary transmedia scholarship this book pushes forward understandings of multiplatform media and the emerging form and function of genre across contemporary culture **In the Ghost's Shadow: Book 1 of the Shadow Core Saga** Clifton Brown,2024-11-01 He was built for war She was never supposed to know or care But when shadows close in love may be their only weapon Genetically enhanced and emotionally scarred Brick Redstone is just trying to finish his final semester without drawing attention to what he is or what he s done Haunted by loss and hunted for his power he keeps everyone at arm s length especially Tish the fierce and frustrating classmate who s spent years ignoring him Until the day she doesn t Their reluctant partnership soon unravels secrets that stretch far beyond campus walls Brick is being targeted by a mercenary strike team and a woman with his professor s face but none of her humanity His connection to the Akashic Field a limitless energy force makes him a coveted asset for people who kill without hesitation Now survival means trusting the one person who challenges him most As their time together lengthens their bond grows But with betrayal looming and forces beyond this world closing in their love might not be strong enough to defy fate First in the award winning Shadow Core Saga In the Ghost s Shadow is a genre blending romantic suspense with a sci fi twist Winner of the International Impact Book Award Finalist for the Global Book Awards 5 star reviews on Readers Favorite Reedsy Discovery and Goodreads **Your Storytelling Potential** Mitchell German,Russell Phillips,2023-05-02 Writers seeking to create novels and screenplays with genuine layers and depth will find essential insight in Mitchell German s Your Storytelling Potential After studying filmmaking and screenwriting at NYU one of the premier film studies programs in the United States if not the world Mitchell German graduated with a complete doctrine on storytelling theory in his arsenal yet his screenplays still lacked the potency he desired He spent ten years studying every available book and expert on storytelling but it wasn t until 2002 after endlessly studying the movie Liar Liar that Mitchell found the key and developed the Your Storytelling Potential Method The truth about great storytelling is hidden in plain view for anyone to see but nearly every expert ignores the most basic story construct In Your Storytelling Potential writers who seek to tell

great stories will find A complete understanding of the Identifiable Traits great novels and screenplays namely movies have that distinguish them from the other 99 99% of books and screenplays written every year How to use Two Stories within a screenplay and novel which exponentially increases the chances of those stories gaining buzz and attention A proper understanding of the critical and essential role of Subplots to create genuine character depth and relationships How to properly integrate a Theme for stories to convey deep relevant and amazing ideas An outline for utilizing A B Parallel Story Structure and the Simple Story Timeline to build multi dimensional stories with the required converging events of the A Story B Story relationship How the premise of every great story is created by the convergence of the A B Storylines and how this Key Information can unlock Your Storytelling Potential Oh. Canada!? Kellen Squire,2025-09-15 When Canada accidentally becomes the world s first AI superpower everybody s sorry Major Isabelle Belle Deschamps just wanted to fly fighters But when Canada s revolutionary Mosaic AI network turns her into something between a pilot and a god she discovers that absolute peace requires absolute control In one brutal demonstration at Red Flag six Canadian CF 35s annihilate 217 allied aircraft in twelve minutes The message is clear the age of American air superiority is over Welcome to the Ottawa Doctrine global stability enforced with algorithmic precision and aggressive politeness But when American pilots launch a desperate analog insurgency Belle must hunt down the very warriors she once admired In a final duel between cutting edge AI and raw human courage she ll discover whether humanity s future requires sacrificing everything that made us human A darkly comic technothriller about the next evolution of warfare where the most dangerous weapon isn t a missile it s an apology Tom Clancy meets John Scalzi in the Nevada desert Special pricing for Canadian readers Sorry
