ZERO What readers are saying I COULDN T PUT IT DOWN Nathan Farrugia is in a class by himself You can t help but enjoy
this adventure What an amazing series Plenty of action thrills gut wrenching pace cool weapons gadgets and well written
story Can I give this book 10 stars It kept me on the edge of my seat from the first page to the last The Fifth Column series is
a tour de force This amazing series deserves a 5 star review Really humorous lots of action and the characters are so much
fun Loved it Fast paced entertaining read I picked up a copy of The Chimera Vector thinking it would be a standard
adventure novel I was wrong From the sands of the Middle East to the streets of New York Nathan Farrugia has taken the
techno action spy novel pioneered by David Morrell and given it steroids Farrugia weaves an amazing tale of power deceit
and double crosses Espionage at its finest intrigue that will tighten your gut and light every nerve on fire The Chimera Vector
goes far beyond science fiction and becomes a fast paced mystery thriller that defies early detection of where we are headed
This is going down as one of the best series I ve read And that s saying something Filled with intense action with enough sci
fi and thriller to make me grin like I found the girl of my dreams Loved it High paced action thriller it definitely is You think
you know where it is going then the plot twists again It really kept me turning the pages to see what was going to happen
next An excellent fast paced series that merges science science fiction and adventure in one well written read that will make
it impossible to put down Oh Wow What a book I found The Chimera Vector to be well written thoroughly entertaining and at
times unbearably suspenseful I was literally holding my breath All the action that I really enjoyed in the first one and hoped
would continue the sequel blew that out of the ballpark Amazing book even better than the first if that s possible Love all the
characters Be warned This series is totally addictive Don t start this unless you re ready for a wild action packed ride About
