Blueprint ,2008 Rogue Demonstration Isadora Brown,2022-05-27 Everything has been leading up to this moment After months of work Lara Turner and Robert Lannister will debut the first piece of technology that s going to defend the world if the gods attack again And they will That much is clear But when everything that can go wrong does Lara must figure out who knows what before it s too late The traitor is still running rampant Dean Rogers murder is still unsolved and with the world holding its breath to see if Robert can redeem himself after the attack on South Haven everything is riding on this demonstration Lara is doing everything she can to help but Robert keeps her at an arm s length and she doesn t understand why If Robert doesn t learn to trust Lara if he fails this time there won t be any way to salvage not only his reputation but the budding relationship between him and Lara Fans of The Avengers and A Court of Thorns and Roses are devouring this fictive paranormal academy romance saga by a USA Today Best Selling Author Scroll up and 1 click your copy today Speculative Architectures after Minoritarian Futurisms Joel P.W. Letkemann,2025-12-02 Speculative Architectures after Minoritarian Futurisms is a work of architectural theory which understands architecture as a practice of speculation analogous to science fiction While it might seem immediately obvious especially given the discipline s legacy of fantastical invention and commitment to the future this book argues that this hypothetical conjunction offers a highly sophisticated critical perspective on the discipline arguing that the only way to deal with the complex challenges of the present is through processes of speculation and ethical commitment to imagining futures evinced in minoritarian futurisms This book reads architecture from the perspective of the recent florescence of futurisms from Afro futurism to xeno feminism with an attention to how they produce a different image of architecture In understanding architecture as speculative practice the book also suggests understanding the architect by analogy to the author of science fiction Learning from queer and feminist perspectives this method of science fictioning refuses to take the terms now defining the discipline as totalising and immutable and investigates the unique subjectivities positions and responsibilities that might be imagined as the architect to come This book will be of interest to researchers and students of architectural theory science fiction studies design futures and global futurisms Resources in Education ,1996-07 Open Admissions Danica Savonick,2024-07-05 In Open Admissions Danica Savonick traces the largely untold story of the teaching experience of Toni Cade Bambara June Jordan Audre Lorde and Adrienne Rich at the City University of New York cuny in the late 1960s and early 1970s This period during which cuny guaranteed tuition free admission to every city high school graduate was one of the most controversial in US educational history Analyzing their archival teaching materials syllabi lesson plans and assignments alongside their published work Savonick reveals how these renowned writers were also transformative educators who developed creative methods of teaching their students to navigate and change the world In fact many of their methods such as student led courses collaborative public projects and the publication of student writing anticipated the kinds of student centered and antiracist

pedagogies that have become popular in recent years In addition to recovering the pedagogical legacy of these writers Savonick shows how teaching in cuny s free and open classrooms fundamentally altered their writing and with it the course of American literature and feminist criticism *NATØ: Narrative Architecture in Postmodern London* Claire Jamieson,2017-01-20 Chronicling the last radical architectural group of the twentieth century NAT Narrative Architecture Today who emerged from the Architectural Association at the start of the 1980s this book explores the group s work which echoed a wider artistic and literary culture that drew on the specific political social and physical condition of 1980s London It traces NAT s identification with a particular stream of post punk postmodern expression a celebration of the abject an aesthetic of entropy and a do it yourself provisionality NAT has most often been documented in reference to Nigel Coates the instigator of NAT which has led to a one sided one dimensional record of NAT s place in architectural history This book sets out a more detailed contextual history of NAT told through photographs drawings and ephemera restoring a truer polyvocal narrative of the group s ethos and development *Index Medicus* ,2001 Vols for 1963 include as pt 2 of the Jan issue Medical subject headings [Ain't I an Anthropologist](#) Jennifer L.
