Atravesados draws on foundational Chicana queer theorist Gloria Anzald a s notion of *atravesados* to speak to the spectrum of queer youth Latinidades as they materialize in YA literature Los *atravesados* according to Anzald a are the squint eyed the perverse the queer the troublesome the mongrel the mulato the half breed the half dead in short those who cross over pass over or through the confines of the normal Los

atravesados reside in the borderlands space of ni de aqu ni de all neither here nor there present yet liminal their queerness the very source of both frustration and empowerment a paradox of joy and tragedy Although written in 1987 Anzald a s theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty first century Characters such as Juliet from Gabby Rivera s Juliet Takes a Breath Aaron from Adam Silvera s More Happy Than Not or the titular Chulito from Charles Rice Gonzales s novel encompass the highs lows and everything in betweenness of queer Latinx teen lived experiences This collection tells their stories Contributors speak to the spectrum of queer youth Latinidades as they materialize in YA literature paying close attention to representation and the ways youth are portrayed whether accurate or stereotypical Close attention is paid to books that succeed in broadening the field of YA highlighting authors that draw from their own lived experiences and situate strong fully developed characters Taken together these essays move beyond the page explaining to readers why representation and authenticity matter in YA literature as well as the far reaching effects they can have for real world queer Latinx teens
