Conversation with a bull?

So I started off just messaging with a guy on here and eventually passed my wife's info... things have since escalated. I get the feeling he wants to chat here so this will become a bit of a conversation that you all get to witness. He has asked me not to message him directly... I believe that he is video chatting with her right now. And I think he has seen alot. Feel free to look at some of my other posts to see what I've been going through in life.

Gf lied to get dick

Back before me and my gf were dating she once told me she was going to the movies with her mom. One night a few months later we were talking about sexual past and she said that she actually didn't go to the movies that night, instead she was getting fucked in the back of some guys truck... a few days later I remember her telling me she was worried that this guy might've came in her. I always jerk off to the thoughts.

An long hour goes by and I get the text to come up. I go to the room and see him deep inside my wife with her legs wrapped around him as they are making out while he's fucking her. He asks her where can he cum and she begged him to cum inside ...

I didn't keep careful track, but looking back over the last three years, I would say that Luke slept in the same bed as Brooke about 70% of the time on average. Of that 70%, two thirds of the time was spent at our house in town and one third at Luke's, especially during the summers so we could spend time in his huge back yard and large inground pool. My favorite times, of course, were the 30% when he was not around, as back in the early days of our marriage. These were when Luke was traveling on business (courting out potential...

How I realized I was a cuck (part 2)

I received a lot of positive messages from my first story and a lot of you also wanted more so here we go. If you don't already know I'll be talking about my ex Erin, an extremely petite girl with all of the most perfect features you can imagine. I thought I would tell you guys a story about the guy Erin was with before she met me, we'll call him Travis. Erin and Travis were together for some time and as you might remember I was Erin's first.
