The Games We Play: Was There Ever a Winner in Love? Dav Milan, 2025-10-22 THE GAMES WE PLAY Was There Ever a Winner in Love A collection of 18 fun and flirty YA romance short stories about love games and mixed signals Dive into late night texts awkward crushes playful heartbreaks and all the highs and lows of teenage romance *The Recipe for Happiness* Jane Lovering, 2023-06-09 Beautifully written and both heartbreaking and heartwarming Jessica Redland When Seren s brother Andrew signs her up to Yorkshire Dating only for them to recommend that she gets a life before they find her a match Seren has to admit that they may have a point She loves her job cooking at an elder day centre and her little flat but it s fair to say her life is a little short of hobbies and friends Since she was young Seren has felt safer close to home but now she s a thirty something divorcee it s time for a change Change arrives in the shape of alarmingly clever collie Kez who Seren offers to take in temporarily and kind but mysterious new colleague Ned But as Ned and Kez tempt Seren out of her shell it means facing her fears And when Andrew finally reveals the secrets of their childhood Seren s need for safety suddenly makes sense A problem shared is a problem halved and with friends by her side Seren might be able to get a life that she loves at last A charming read from bestselling author Jane Lovering perfect for fans of Jessica Redland Beth Moran and Jo Barlett Praise for Jane Lovering A funny warm hearted read filled with characters you ll love Matt Dunn A heart warming entertaining and uplifting book about the importance of human connection self acceptance and making the most of any opportunities that come your way I absolutely loved it and could not fault it Reader Review I am a big fan of Jane Lovering s books She has a real knack for creating great characters and writing the perfect blend of romance and humour often with some more serious issues included Her books will make you smile for sure but are also often rather emotional Reader Review It wouldn t be a book by Jane Lovering without that great balance between the ever present humour the set pieces and the wonderful one liners and the sensitively handled issues and emotional moments Reader Review A compulsively readable highly recommended book Reader Review **How to Fall in Love with the Future** Rob Hopkins, 2025-09-16 There are an infinite number of possible futures that lie ahead of us like threads stretching out into the distance Rob Hopkins cofounder of the international Transition Network movement invites us to travel to future worlds we would actually want to live in No one makes environmental optimism more credible or compelling than Rob Hopkins Read this and don t weep Hugh Fearnley Whittingstall chef and campaigner In 2020 when the COVID 19 pandemic disrupted every aspect of daily life climate activist and Transition Network cofounder Rob Hopkins responded the way a lot of people did by starting a podcast But it wasn t any ordinary podcast In each episode Hopkins and his guests would time travel together to the year 2030 walking down imagined future streets talking with imagined future neighbors visiting imagined future local businesses While Hopkins s guests came from all walks of life economists politicians bakers comedians novelists and more they all shared a willingness to suspend their worries about the future long enough to mentally inhabit and then describe a world they were thrilled to be a part of

What Hopkins discovered was no less profound this simple exercise of visiting a positive future forced him to rethink the work he'd been doing as a climate activist for decades *How to Fall in Love with the Future* is the result of that radical disruption and Hopkins's deep dive into the people and movements throughout history who have used visions of the future to inspire positive change on a large and dramatic scale From the life and writings of musician Sun Ra and the history of Black utopian movements to the latest neuroscience on what goes on in our minds and hearts when we time travel Hopkins brings essential new thinking to anyone overwhelmed with dread and anxiety for the future He asks us to consider what would the world look like if we all got to work imagining and then building a world we were deeply in love with Rob Hopkins is one of the world's great optimists He really believes that things can get better and when he's around they usually do This book will lift your spirits and give you hope Brian Eno musician producer and artist Rob Hopkins puts imagination back at the heart of future dreaming offering us an irresistible invitation to dream bigger and then make those dreams a reality Kate Raworth

author of *Doughnut Economics* **Monetize What You Already Know: The Expertise-Driven Online Income Blueprint**

Ahmed Musa ,2025-05-23 Here's the million dollar truth nobody told you You're sitting on a goldmine Not in some course you buy but in the knowledge you already have *Monetize What You Already Know: The Expertise-Driven Online Income Blueprint* is your wake up call the in your face guide to turning your ideas experience and know how into a digital business that prints income like a busted ATM This ain't about becoming an influencer or faking it till you make it It's about packaging what you know into offers people crave and will happily pay top dollar for Inside you'll get The simple formula to extract price and sell your knowledge even if you think it's nothing special How to build digital products that scale with zero inventory zero overhead and max profit The secret to attracting clients and customers who see you as the expert Why your brain is your most valuable asset and how to finally monetize it like one The exact blueprint to go from zero to online income in weeks not months If you've ever thought I don't know where to start this is the start If you've been stuck watching others cash in while you overthink this ends that today No more excuses No more guessing It's time to cash in on what you already know Because you're not just experienced you're sitting on a business **The Story Economy** William Welser,2025-10-28 *Regain Control*

Over Your Data Devices and Freedom How do you value your private data What about your job The truth is someone is selling your data and your job may be among the countless others being lost to AI at record rates Because of this abuse of technology among many others most people have lost all agency over their technology devices and information But technologist William Welser IV has a plan to help us regain control Enter *The Story Economy* a guide that provides fresh purchasing power in a world where opportunity feels harder and harder to grasp Within Welser outlines the need for an alternative economy where stories can become solutions to overwhelming new problems His entirely new marketplace allows us to use our stories as currency putting the data we've voluntarily given to good use allowing us to purchase goods and services and giving us the power to see exactly where our data is going and to whom In this exciting and sometimes scary

world of AI Big Tech is using all of its tools against us to create a society in which we're lonely, broke and lost. We must take back our power and make the technology work for us to close the healthcare, education and wealth divide and in the process foster self-awareness to help us become astute decision makers and stay ahead of technology. With *The Story Economy* Welser provides the innovative blueprint to get started.

Trauma-Informed Pedagogy Jocelyn E. Marshall, Candace Skibba, 2022-07-19 Gender-based violence is an issue often met with silence and unempathetic discourse. This collection holds trauma-informed pedagogies as the critical lenses through which to work through questions such as how can educators and mentors address this subject with greater care and understanding.

Relax to Riches Renee Rose, ARE YOU STRAINING AND STRIVING TO MANIFEST DO YOU WANT MORE MONEY MAGIC AND MIRACLES If you'd like to take your manifesting practice to the next level beyond dream boards, relentlessly staying positive and repeating affirmations, this book is for you. *Relax to Riches* is about taking the VIP entrance into your desired life with rapid transformation. It is possible to manifest with greater ease, to relax into it, trust the process and pull in everything you desire faster. Manifesting your desires slows or stops when you're functioning from inner dissonance when part of you wants to hit the target but some secret, shadowy part of you that you might not even be aware of holds you back. It can feel like you're taking two steps forward, one step backward or that you have to strain and effort to reach your dreams. Enter *Relax to Riches*. When you get completely integrated and congruent with yourself, you have all your energy, focus and attention to instantly manifest your desires. Relaxing into that state of allowance, ease and receiving the absence of resistance brings more space to your creations. In this book, you'll learn how to allow your creations to take on lives of their own instead of trying to control them into being. Learn to do less and receive more. Hack your subconscious through the untapped potential of dream time. Access more of your own power and potency. Create manifest with greater speed and ease. Clear past trauma that blocks you from achieving your goals. Release and integrate energetic and money blocks. Unwind your limiting beliefs. Relax into being who you truly are. Feel lighter and more buoyant with a sense of possibility and joy. When you employ the practices in this book, you'll start to love yourself more and deepen into who you truly are, the essence of your truth, self-worth and personal power with the knowledge that anything you desire is yours for the asking and can and will come your way with total ease. Renee Rose is magical. Her work on mindset and abundance has transformed my relationship with writing, taken the pressure off and helped me truly learn to love my books again.
