The Vampire in Contemporary Popular Literature Lorna Piatti-Farnell, 2013-11-07 Prominent examples from contemporary vampire literature expose a desire to re evaluate and re work the long standing folkloristic interpretation of the vampire as the immortal undead This book explores the new vampire as a literary trope offering a comprehensive critical analysis of vampires in contemporary popular literature and demonstrating how they engage with essential cultural preoccupations anxieties and desires Drawing from cultural materialism anthropology psychoanalysis literary criticism gender studies and postmodern thought Piatti Farnell re frames the concept of the vampire in relation to a distinctly twenty first century brand of Gothic imagination highlighting important aesthetic conceptual and cultural changes that have affected the literary genre in the post 2000 era She places the contemporary literary vampire within the wider popular culture scope also building critical connections with issues of fandom and readership In reworking the formulaic elements of the vampiric tradition and experimenting with genre bending techniques this book shows how authors such as J R Ward Stephanie Meyers Charlaine Harris and Anne Rice have allowed vampires to be moulded into enigmatic figures who sustain a vivid conceptual debt to contemporary consumer and popular culture This book highlights the changes conceptual political and aesthetic that vampires have undergone in the past decade simultaneously addressing how these changes in vampire identity impact on the definition of the Gothic as a whole

Finding the Plot Loïc Artiago, Diana Holmes, David Platten, 2014-08-11 Plot writes Peter Brooks is so basic to our very experience of reading and indeed to our articulation of experience in general that criticism has often passed it over in silence Reading for the Plot xi Finding the Plot both explores and helps to redress this critical neglect The book brings together an international group of scholars to address the nature effects and specific pleasures of consuming stories If the central focus is on France and popular literary fiction the book s scope like contemporary fiction itself observes no national frontiers and extends across a variety of media The book addresses both the empirical question of which genres and types of text have been and are most popular and the theoretical questions of how plots work what pleasures they offer to readers and why it matters that the plot should not be lost **The cultural politics of contemporary Hollywood film** Chris Beasley, Heather Brook, 2019-01-21 Adopting and developing a cultural politics approach this comprehensive study explores how Hollywood movies generate and reflect political myths about social and personal life that profoundly influence how we understand power relations Instead of looking at genre it employs three broad categories of film Security films present ideas concerning public order and disorder citizen state relations and the politics of fear Relationalities films highlight personal and intimate politics bringing norms about identities gender and sexuality into focus In socially critical films particular issues and ideas are endowed with more overtly political significance The book considers these categories as global political technologies implicated in hegemonic and soft power relations whose reach is both deep and broad **Paranormal Encounters in Iceland 1150-1400** Ármann Jakobsson, Mariusz Mayburd, 2020-03-23 This anthology of international scholarship offers new critical approaches to the study of the many manifestations of the paranormal in the Middle Ages The guiding principle of the collection is to depart from symbolic or reductionist readings of the subject matter in favor of focusing on the paranormal as human experience and essentially on how these experiences are defined by the sources The authors work with a variety of medieval Icelandic textual sources including family sagas legendary sagas romances poetry hagiography and miracles

exploring the diversity of paranormal activity in the medieval North This volume questions all previous definitions of the subject matter most decisively the idea of saga realism and opens up new avenues in saga research *The Marx Family Saga* Juan Goytisolo,1999 The world as seen by a resurrected Karl and Jenny Marx While in a flat in London they watch on TV Albanian refugees land on an Italian beach in search of a paradise called Dallas Werewolves and Other Shapeshifters in Popular Culture Kimberley McMahon-Coleman,,Roslyn Weaver,2014-10-01 In recent years shapeshifting characters in literature film and television have been on the rise This has followed the increased use of such characters as metaphors with novelists and critics identifying specific meanings and topics behind them This book aims to unravel the shapeshifting trope Rather than pursue a case based study the works are grouped around specific themes adolescence gender sexuality race disability addiction and spirituality that are explored through the metaphor of shapeshifting Because of the transformative possibilities of this metaphor and its flexibility the shapeshifter has the potential to change how we see our world With coverage of iconic fantasy texts and a focus on current works the book engages with the shapeshifting figure in popular culture from the United States Canada the United Kingdom and Australia Instructors considering this book for use in a course may request an examination copy here *Japan's Green Monsters* Sean Rhoads,Brooke McCorkle,2018-02-12 In 1954 a massive irradiated dinosaur emerged from Tokyo Bay and rained death and destruction on the Japanese capital Since then Godzilla and other monsters such as Mothra and Gamera have gained cult status around the world This book provides a new interpretation of these monsters or kaiju and their respective movies Analyzing Japanese history society and film the authors show the ways in which this monster cinema take on environmental and ecological issues from nuclear power and industrial pollution to biodiversity and climate change *People Entertainment Almanac 1999* Cader Books,Cader Books Staff,1998 For the scoop on the hot new stars from Matt Damon and Puff Daddy to Sarah Michelle Gellar and Calista Flockhart plus details on the latest love matches reviews of the year s best and worst movies albums books and more the fabulous fifth edition of People s almanac has it all 150 photos
