Complete Workbook Myth Retelling Novel:

The End of the Book of Numbers Jordan Davis, 2022-11-10 It has become increasingly clear that Numbers is the litmus test for new ideas relating to the formation of the Pentateuch At the same time the profusion of ideas has only resulted in a corresponding lack of agreement between scholars In the present study Jordan Davis grants significant attention to the geographical references found at the end of the book of Numbers combining archaeological historical and literary critical insights in the attempt to arrive at more verifiable results With a detailed view at the Transjordan conquest traditions Num 21 21 35 32 Deut 2 24 3 20 and the twin legal narratives relating to Zelophehad s daughters Num 27 36 the author argues for the historical catalysts underlying these traditions and then points to the ideological motivation behind their redactional expansion

The Secret Book of John, 2012-12-14 This ancient Gnostic text can be a companion for your own spiritual quest The Secret Book of John is the most significant and influential text of the ancient Gnostic religion Part of the library of books found in Nag Hammadi Egypt in 1945 this central myth of Gnosticism tells the story of how God fell from perfect Oneness to imprisonment in the material world and how by knowing our divine nature and our divine origins that we are one with God we reverse God s descent and find our salvation The Secret Book of John The Gnostic Gospel Annotated Explained decodes the principal themes historical foundation and spiritual contexts of this challenging yet fundamental Gnostic teaching Drawing connections to Christianity Buddhism Hinduism kabbalistic Judaism and Sufism Davies focuses on the mythology and psychology of the Gnostic religious quest He illuminates the Gnostics ardent call for self awareness and introspection and the empowering message that divine wholeness will be restored not by worshiping false gods in an illusory material world but by our recognition of the inherent divinity within ourselves Now you can experience and understand this foundational teaching even if you have no previous knowledge

of Gnosticism This SkyLight Illuminations edition presents the most important and valued book in Gnostic religion with insightful yet unobtrusive commentary It provides deeper insight into the understanding that in Gnosticism the distinction between savior and saved ceases to exist you must save yourself and in doing so save God *Retelling Stories, Framing Culture* John Stephens, Robyn McCallum, 2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience This first of its kind study discusses Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories derived from European cultures One chapter is devoted to various retellings of classics from Shakespeare to *Wind in the Willows* The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society's central values and assumptions However the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that persist into retellings Therefore some stories such as classical myths are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings Index included **History, Culture, and Religion of the Hellenistic Age** Helmut Koester, 2012-10-25 While the first American edition of this book published more than a decade ago was a revised translation of the German book *Einführung in das Neue Testament* this second edition of the first volume of the *Introduction to the New Testament* is no longer dependent upon a previously published German work The author hopes that for the student of the New Testament it is a useful introduction into the many complex aspects of the political cultural and religious developments that characterized the world in which early Christianity arose and by which the New Testament and other early Christian writings were shaped **Book Review Digest**, 2000 [Americanist Approaches to the Book of Mormon](#) Elizabeth A. Fenton, Jared Hickman, 2019 As the sacred text of a modern religious movement of global reach The Book of Mormon has undeniable historical significance That significance this volume shows is inextricable from the intricacy of its literary form and the audacity of its historical vision This landmark collection brings together a diverse range of scholars in American literary studies and related fields to definitively establish The Book of Mormon as an indispensable object of Americanist inquiry not least because it is among other things a form of Americanist inquiry in its own right a creative critical reading of America Drawing on formalist criticism literary and cultural theory book history religious studies and even anthropological field work *Americanist Approaches to The Book of Mormon* captures as never before the full dimensions and resonances of this American Bible **The Penguin Book of Norse Myths** Kevin Crossley-Holland, 1996-10-31 THE DEFINITIVE AND COMPREHENSIVE RETELLING OF NORSE MYTHOLOGY Burning ice biting flame that is how life began The extraordinary Scandinavian myth cycle is one of the most enduring exciting dramatic

and compelling of the world's great stories The Penguin Book of the Norse Myths compellingly retells these stories for the modern reader taking us from the creation of the world through the building of Asgard's Wall to the end in Ragnarok You'll discover how Thor got his hammer and how Odin lost his eye the terrible price of binding the wolf Fenrir and why Loki the Trickster can never be trusted The Norse myths are as thrilling to read as they are of vast cultural and historical importance In this gripping book discover the passion cruelty and heroism of these unforgettable stories An excellent introduction to Norse Mythology Amazon Review Extremely well written highly engaging and entertaining Amazon Review Viking myths and legends written in a humorous and enlightening way Amazon Review Children's Book Corner Judy Bradbury, 2005-08-30
