Emotional Intelligence Workbook Joeel A. Rivera, Natalie Rivera, Joeel A. Rivera M Ed, 2020-11-10 This workbook provides a blueprint for developing emotional intelligence both INTRApersonal intelligence (understanding of your own emotions) and INTERpersonal intelligence (understanding of others' emotions). You'll develop an understanding of the cause of your emotions so you can shift your emotional state and feel better no matter what is happening in your life. You'll learn how to catch negative emotions early and avoid triggers in order to prevent escalation. You'll learn strategies for reducing and releasing stress so you can better cope with life events. You'll develop healthy empathy so that you can better understand others without being sucked into their emotions. You'll learn how to listen and communicate effectively and tune into non-verbal communication and body language. Large 8.5 x 11 inch format for ease of use. This workbook is intended to be used with the Mindfulness and Meditation coaching program offered through TransformationAcademy.com. **Emotional Intelligence: The Emotional Intelligence Book - Emotional Intelligence at Work and Emotional Intelligence Leadership** John C. Allen, 2017-05-15 Emotional Intelligence The Emotional Intelligence Book Emotional Intelligence at Work and Emotional Intelligence Leadership This Emotional Intelligence Book will answer the question: what is emotional intelligence also referred to as EI? As the book works to define emotional intelligence through the four main branches, it dives deeper into explaining each branch in hopes of bringing about a higher self-awareness in the reader. Most people walk around with low emotional intelligence out of ignorance. They do not know because they have never been taught. Some crowds believe that the emotionally intelligent are as smart as those with high IQ's. People in positions of leadership show a higher aptitude of EI for being able to help others to calm the crowd and to work well under pressure without cracking. Each of the four branches of the emotional intelligence theory is explained in full detail. The first branch is emotional perception. The second branch is emotional reasoning. The third branch is emotional understanding and the fourth branch is emotional management. Each branch has an explanation on how to do it: how to perceive, how to reason, how to understand and how to manage the emotions. In learning this, we can then learn how to improve emotional intelligence. Emotional intelligence training helps to make leaders out of people and helps people to learn more about themselves and they will learn how to handle their emotions. A person with a high level of emotional intelligence has learned how to control their reaction to their emotions and they can also help others with their responses to emotions. The emotional intelligence definition shows that we are whole people who have emotions and will go through emotional times but that we can control our reaction and responses to these

emotions instead of allowing the emotions to show as raw and out of control
