Army's success are strong leadership and exceptional leadership development. Army leaders must be able to act decisively and effectively in challenging situations. But the Army despite its organizational structure does not train leaders in a hierarchical manner. Dispersed leadership is the key to the success of the Army leadership model. Now for the first time you can have access to the Army's successful leadership philosophy and the principles that are outlined in *Be Known Do*, the official Army Leadership Manual. *Be Known Do* makes this critical information available to civilian leaders in all sectors: business, government, and nonprofit, and gives them the guidelines they need to create an organization where leadership thrives.
