Linked Discourses Bhikkhu Sujato, SuttaCentral, SuttaCentral has published an entirely new translation of the four Pali nikayas by Bhikkhu Sujato which is the first complete and consistent English translation of these core texts This is an ebook version of Bhikkhu Sujato's translation of the Sa'yutta Nikaya which can also be read at SuttaCentral website The Linked or Connected Discourses Sa'yutta Nikaya abbreviated SN is a collection of over a thousand short discourses in the Pali canon The word linked refers to the fact that the texts are collected and organized by topic In most cases the organizing principle is a particular theme of Dhamma for example the five aggregates dependent origination the noble eightfold path

mindfulness meditation or the four noble truths This collection contains the most extensive range of texts on these core themes In other cases chapters are organized according to the person or kind of person who speaks This collection has a full parallel in the Sa yukt gama SA of the Sarv stiv da school in Chinese translation In addition there are two partial collections in Chinese SA 2 and SA 3 as well as a number of miscellaneous or fragmentary texts in Chinese Sanskrit and Tibetan Much of the organizational structure of SN is shared with SA suggesting that this structure preceded the split between these two collections This translation of Sa yutta Nik ya was updated on March 8th 2023 Collected Wheel Publications Volume XXVIII Bhikkhu Bodhi, John D.
