Monica Leonelle, 2025-01-21

Monica Leonelle and Russell Nohelty have written millions and millions of words about authorship in our combined 25 years doing it. Between our blogs, our 40 books and our hundreds of talks, interviews and podcast episodes, admittedly it's a little intimidating. 8333 is our attempt to take everything we've ever thought or written and combining it into one book filled with the most powerful and impactful things we've ever written. If you want to read one book that fully captures the best nuggets from our catalog, this is the book. Think of it as a greatest hits album of our best ideas together for the first time in one place. 8333: 12 Concepts to Six Figures is not just another book on writing; it's a complete, actionable roadmap designed to transform your author career in the next 12 months. Created by bestselling authors Monica Leonelle and Russell Nohelty, this book condenses their most powerful, proven strategies into 12 bite-sized concepts that can each unlock a path to six-figure success. Whether you're struggling to find your audience, overwhelmed by marketing, or ready to scale your revenue, this book offers the tools and insights you need to achieve tangible results quickly. Packed with real-world advice, actionable frameworks and the step-by-step guidance you need, 8333: 12 Concepts to Six Figures is your go-to guide for building a thriving, sustainable author business. Each chapter dives into a specific strategy that's been tested and perfected, ensuring that no matter where you are on your journey, there's a concept that can help you make meaningful progress. Get ready to leave behind the guesswork and start making strategic, impactful moves that lead directly to your goals. Imagine this: twelve game-changing strategies, each with the potential to make you 100,000 a year. These aren't pie-in-the-sky theories; they're battle-tested, no-fluff tactics.

Zander,Hanna Luise Kroll,Laura Wittmann,2025-04-21 The interdisciplinary study of law and literature can help us better understand intersectionality and vice versa intersectional feminist perspectives are extremely valuable in the study of law and literature Of course neither feminist nor intersectional approaches are new in and of themselves for decades literary scholarship has studied the impact of particular constellations of gender race and class when it comes to representations of women in literary texts and has succeeded in shaking monolithic and stereotypical notions of womanhood However research at the intersection of law literature and feminism has so far been limited and insular Bringing together more than twenty international researchers from related disciplines this

volume is the first to bring questions of intersectional feminism to the forefront of law and literature scholarship From reproductive and trans gender justice in law and literature to feminist practices that intervene in judicial discourse this volume brings into focus a wide range of cultural and legal phenomena in which gender and the law intersect in literary texts The volume s commitment to intersectionality fittingly extends to its very make up the contributors were selected to represent a diverse range of positions in terms of their gender career stage and nationality
