romantic and rekindle love The best relationships do not start with physical action rather they start in the mind This book outlines how to build a tighter and more intimate bond between the couple which in turn can help to rekindle love and romance in the relationship Many relationship guides only focus on very specific issues within love or marriage and fail to give practical advice However this book offers a variety of healthy relationship tips that anyone can use to immediately start improving the romance in their relationship How to spice things up in a relationship Romance is not just about love but also about the sexual attraction couples share If you want to spice things up in the bedroom or improve the sex in your relationship you first have to understand your partner on a deeper level It is no surprise that couples in long term relationships or couples that are struggling to be romantic may see sexual acts as a chore rather than a pleasurable activity The key to rekindling this romance is to re attract your partner by understanding exactly what they want In turn this will allow your sex life and love life to flourish simultaneously Overall this book offers great relationship advice for men and women alike to help couples rebuild their relationships rekindle their love and establish a happy future together

Loved and Wanted Elena Miro, 2020-08-11 Loved and Wanted The Ultimate Guide for the Modern Woman is this transformational series of books that will help you reconnect with your femininity and truly have it all Have you been following this series and learning to become the beautiful and fascinating woman you always knew you were but now you re ready to work on your relationship Are you afraid you ll ruin any relationship you might have because you re not sure how to treat a man Are you ready to begin transforming your romantic relationship into the same one in your fantasies If you answered yes to any of those questions then this book the last in the Love and Wanted series will show you how to build a trusting loving relationship with both yourself and your partner This is the final book in a series of three that examines the topic of femininity through the eyes of one woman s journey in which she learns about what is missing in her life and how to regain and fulfill her dreams Through Andrea s experiences you ll learn how to love your man while being a confident modern woman You ll discover how to treat him with respect and earn his respect in return The Loved and Wanted series of books provides an entertaining analysis of relationships and presents a road map for designing your happily ever after so you can experience the fulfilling and wholly satisfying life that you deserve These books have focused on restoring your feminine side and this last one covers how to craft your relationship into one that would rival the most romantic fairy tale Follow Andrea s adventures as she strives to achieve the dream she put aside in favor of her career a loving family Loved and Wanted was born from years of experience as a life coach talking to men and women about what they wanted in their partners Many men expressed what they believed was missing in the modern women they knew Likewise many women also expressed an interest in redefining their feminine side and restoring the part of them that made them feel sexy and desired when they were young and their lives were ahead of them That s the reason I created this series of books to help those women find that sensual nurturing woman inside themselves and bring her out again so she could help create their ideal life It s easy to lose your

femininity amidst the hustle and bustle of our modern world and particularly while you're working so hard to establish yourself professionally however you shouldn't have to sacrifice your femininity and dreams of a loving family to have a career. It's time to create a new model that includes your ideal relationship something you can achieve even as you strive to fulfill your professional goals. This book offers tips on how to interact with your partner so you can take your relationship to new levels of satisfaction. Come along with Andrea as she learns the secrets of designing a happy relationship. Now is the time to open your mind to the possibility of another way. The Loved and Wanted series will show you how to transform yourself and your relationship so you will feel desirable and finally find the sustainable happiness you're seeking. Start designing the relationship of your dreams today.
