The School Choice Roadmap Andrew Campanella, 2020-01-21 WINNER OF THE 2020 FOREWORD INDIES GOLD AWARD IN EDUCATION WINNER OF THE SILVER IPPY AWARD FOR BEST EDUCATIONAL RESOURCES You want your children to benefit from a great education But every student is unique One type of school might be a great fit for your neighbor s child but it might not work for your son or daughter Across the country many parents today have more choices for their children s education than ever before If you are starting the process of finding your child s first school or if you want to choose a new learning environment The School Choice Roadmap is for you This first of its kind book offers a practical jargon free overview of school choice policies from public school open enrollment to private school scholarships and more It breaks down the similarities and differences between traditional public schools public charter schools public magnet schools online public schools private schools and homeschooling Most importantly The School Choice Roadmap offers a seven step process that will help you harness the power of your own intuition and your own expertise about your child s uniqueness to help you find a school that reflects your family s goals values and priorities Filled with sage advice from dozens of other parents who have pursued the school search process and interviews with school leaders and teachers The School Choice Roadmap is an optimistic empowering book that cuts through the confusion in K 12 education so that you can give your children every opportunity to succeed in school and in life

The Era of Choice Edward C. Rosenthal Ph.D., 2006-09-22 How today s cornucopia of choices has transformed our lives and our culture from the foundations of scientific theory to the anxiety of everyday decisions Today most of us are awash with choices The cornucopia of material goods available to those of us in the developed world can turn each of us into a kid in a candy store but our delight at picking the prize is undercut by our regret at lost opportunities And what s the criterion for choosing anything material spiritual the path taken or not taken when we have lost our faith in everything In The Era of Choice Edward Rosenthal argues that choice and having to make choices has become the most important influence in both our personal lives and our cultural expression Choice he claims has transformed how we live how we think and who we are This transformation began in the nineteenth century catalyzed by the growing prosperity of the Industrial Age and a diminishing faith in moral and scientific absolutes The multiplicity of choices forces us to form oppositions this says Rosenthal has spawned a keen interest in dualism dilemmas contradictions and paradoxes In response we have developed mechanisms to hedge compromise and to synthesize Rosenthal looks at the scientific and philosophical theories and cultural movements that choice has influenced from physics for example Niels Bohr s theory that light is both particle and wave to postmodernism from Disney trailers to multiculturalism He also reveals the effect of choice on the personal level where we grapple with decisions that range from which wine to have with dinner to whether to marry or divorce as we hurtle through lives of instant gratification accelerated consumption trend change and speed But we have discovered writes Rosenthal that sometimes we can have our cake and eat it too Reading an Unknown

Organization Peter Wollmann, Lukas Stricker, Doris Pемler, 2024-10-22 This book focuses on Organizational Intelligence and its connection to the Three Pillar Model a framework developed by a global community of over 60 professionals from various sectors and published by Springer Nature The model centers on three vital pillars for navigating the volatile uncertain complex and ambiguous VUCA world of organizational design and leadership Sustainable Purpose Travelling Organization and Connectivity At its core the book features interviews with executive leaders including those in the C Suite who have recently assumed new roles in new organizations or have done so in their careers The interviews are diverse and anonymized to encourage candid responses The book explores how these leaders quickly gain a comprehensive understanding of their organizations with a focus on coping with change transformation sustainability and UN SDG coverage Offering real case study based guidance the book does not seek to provide a one size fits all methodology but instead encourages readers to tailor its insights to their unique circumstances It is a valuable resource for mentoring and coaching purposes

Your AI Roadmap Joan Palmiter Bajorek, 2024-12-24 As seen at VentureBeat CES and in Harvard Business Review A pesky truth of the age of AI is that everyone's day job is at risk but we all still need money We all need to future proof our careers and finances ASAP Your AI Roadmap is not just an advice book it's a modern blueprint for your career and income One part modern careers and one part wealth building this book is ready to take you on an adventure You will never be truly free stable and at peace until your financial house is in order If AI takes a huge number of jobs in the next few years jumping from job to job won't future proof your income and provide stability You need to have your own money in your own name in your own accounts With humor and data driven examples Joan provides fresh and tactical career advice as well as ways to expand your income to get your finances in order in the era of AI Serial entrepreneur investor and AI influencer Dr Joan Palmiter Bajorek is a global leader in AI She has served as CEO President VP advisor and senior roles at AI startups and enterprises including Clarity AI Nuance VERSA and Edward Lifesciences Joan is the Founder of Women in Voice 501 c 3 She is the CEO of Clarity AI creating custom AI and data products She is the host of the Your AI Roadmap Podcast where she has interviewed top executives from Google Microsoft Amazon and more to discuss their projects and careers YourAIRoadmap.com To be clear Joan is not satisfied with knowing how to build wealth herself Everyone deserves a financial education and to know that through the age of AI that they can take care of themselves Let's talk about careers and money But Joan's AI career hasn't always been smooth sailing Joan has lost her job in two large scale AI layoffs That hasn't stopped her Being entrepreneurial is key to Joan's financial resilience on her way to financial independence Playful inclusive and poignant this book provides personal and professional guidance for people just launching their careers and for people well on their way The book offers Goal Setting Set your goals in a clinically validated way via the WOOP method Storytelling Owning your story and accomplishments via the STAR method to connect the dots for listeners Personal Brand Steps to build grow and optimize your professional presence online Networking Modern people first techniques to expand your network with coffee chats Joan

The Top Books of the Year Readers Choice Entrepreneurship Roadmap The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Readers Choice Entrepreneurship Roadmap : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
