The Clintons' War on Women Roger Stone, Robert Morrow, 2016-09-06 This book on Hillary really tough President Donald Trump Hillary Clinton is running for president as an advocate of women and girls but there is another shocking side to her story that has been carefully covered up until now This stunning expos reveals for the first time how Bill and Hillary Clinton systematically abused women and others sexually physically and psychologically in their scramble for power and wealth In this groundbreaking book New York Times bestselling author Roger Stone and researcher and alternative historian Robert Morrow map the arc of Bill and Hillary s crimes and cover ups They reveal details about their actions in Arkansas during Bill Clinton s time in the White House about who really ordered the deadly attack on the Branch Davidian compound in Waco during Hillary s tenure as secretary of state about their time at the Clinton Foundation and during Hillary s current campaign for president This is the first book to shed light on the couple s deeply personal violations of the people they crushed in their obsessive quest for power Along the way Stone and Morrow reveal the family s darkest secrets including a Clinton family member s drug rehab treatment that was never reported by the press Hillary Clinton s unusually close relationship with a top female aide and a stunning revelation of such impact that it could strip Bill Clinton of his current popularity and derail Hillary s push to be the second Clinton in the White House Anyone who cares about the future of the United States will want to read this tell all exposing the appalling unvarnished and ugly truth about the Clintons This paperback edition includes a new preface from Roger Stone revealing explosive new information he s learned since the hardcover s release [Daily Skeptic 2016](#) Cody Scott, 2016-12-19 The Daily Skeptic is a blog dedicated to investigating news articles science religion politics history articles and book reviews This book is a collection of those essays from 2016 with topics ranging from the 2016 election to social unrest to book reviews and historical investigation [Hearings Relating to Madison Guaranty S&L and the Whitewater Development Corporation, Washington, DC Phase: Resolution Trust Corporation \("RTC"\) document production in response to S. Committee on Banking, Housing, and Urban Affairs, 1994 **Do All the Good You Can** Gary Scott Smith, 2023-10-10 Methodism in the public and private lives of the politician After more than forty contentious years in the public eye Hillary Rodham Clinton is one of the best known political figures in the nation Yet the strong religious faith at the heart of her politics and personal life often remains confounding if not mysterious to longtime observers Even many of her admirers would be surprised to hear Clinton state that

her Methodist outlook has been a huge part of who I am and how I have seen the world and what I believe in and what I have tried to do in my life Gary Scott Smith's biography of Clinton's journey in faith begins with her Methodist upbringing in Park Ridge Illinois where she faithfully attended worship services Sunday school and youth group meetings Like many mainline Protestants Clinton's spiritual commitment developed gradually throughout childhood while her combination of missionary zeal and impressive personal talents has informed her career from the time of her pro bono work at Yale on behalf of children to the present Her Methodist faith has been very important to many of Clinton's high profile endeavors and in helping her cope with the prominent travails brought on by two presidential campaigns never ending conservative rancor and her husband's infidelity Smith's account examines Clinton's faith in the context of work ranging from her 1990s pursuit of healthcare reform to a Hillary doctrine of foreign policy focused on her longtime goal of providing basic human rights for children and women a project she saw as essential to United States security The result is an enlightening reconsideration of an extraordinary political figure who has defied private doubts and public controversy to live by John Wesley's dictum Do all the good you can by all the means you can in all the ways you can in all the places you can at all the times you can to all the people you can as long as ever you can **A Humorous Account of America's Past: 1945 to 2001** Richard T.

Bill Clinton Patrick J. Maney, 2021-04-15 Of the original Gilded Age historian Richard Hofstadter wrote There is no other period in the nation s history when politics seems so completely dwarfed by economic changes none in which the life of the country rests so completely in the hands of the industrial entrepreneur The era of William Jefferson Clinton s ascent to the presidency was strikingly similar nothing less Clinton himself said than a paradigm shift from the industrial age to an information technology age from the Cold War to a global society How Bill Clinton met the challenges of this new Gilded Age is the subject of Patrick J Maney s book an in depth perspective on the 42nd president of the United States and the transformative era over which he presided Bill Clinton New Gilded Age President goes beyond personality and politics to examine the critical issues of the day economic and fiscal policy business and financial deregulation healthcare and welfare reform and foreign affairs in a post Cold War world But at its heart is Bill Clinton in all his guises the first baby boomer to reach the White House the natural the most gifted politician of his generation but one with an inexplicably careless and self destructive streak the Comeback Kid repeatedly overcoming long odds the survivor frequently down but never out and with Hillary Rodham Clinton part of the most controversial First Couple since Franklin and Eleanor Roosevelt Maney s book is in sum the most succinct and up to date study of the Clinton presidency invaluable not merely for understanding a transformative era in American history but presidential national and global politics today
