The Chaos Protocols Gordon White:

The Chaos Protocols Gordon White, 2025-08-05 The years since the financial crash have seen the realization dawn that the great promise of modern civilization will go unfulfilled Study hard work hard buy a house retire happy It's all a lie spun for the benefit of a tiny elite The richest eighty five people on earth have as much wealth as the poorest 3.5 billion Each month the numbers change but they never improve Magical and spiritual discourse has failed to keep up with this new reality The Chaos Protocols aims to fix that Join Gordon White as he shows you how to use chaos magic not only to navigate these trying times but to triumph as well Discover how to become invincible through initiation and wage the mind war that will keep you moving toward what you really want From sigil magic to working with spiritual allies The Chaos Protocols helps you act on the unwavering belief that your life should matter and you're not going to let something as trifling as the apocalypse get in the way of it Praise Gordon White gives a master class on the hard economic realities and the kind of low down and dirty magic for which he has become famous Pragmatic sharp and funny The Chaos Protocols is a treasure of a book Peter Grey author of Apocalyptic Witchcraft Take two parts Magick Without Tears a measure of The Wealth of Nations a pinch of Ian Fleming and a dash of Noel Coward and you have this almost promiscuously readable text Whoever said books on magick can't be fabulously entertaining as well as eminently practical has obviously not read up on their Gordon White Remedy that situation Chris Knowles author of The Secret History of Rock n Roll and Our Gods Wear Spandex *The Way of the Sith* Edwin Ferreira, 2023-03-20 The Sith in the real world is a philosophy of discipline and mental training empowering us to achieve the possible It's a philosophy that is enamoured with strength and power the individuals that wish to be a compelling leader and thought leader for the world to seek the self liberation and opportunities that are offered us empowering us to pursue our purpose and seize opportunities for self development growth and transformation Victory is what we aim for overcome the things that hold back growth we seek a memetic and philosophical answer to the modern distortions of what suits us all A people have been tainted by the outgrowth of modern government and status quo influence unwilling or unable to move beyond the confines by fears doubts and complacency all forms of stagnation that oppose the will the world has confined everything into self limitation and hindrance that prevent people from being at one with their true nature we wish to embrace our instincts and emotions fuel our passion and acquire strength power and victory to break the chains
