Integrating Lean Six Sigma and High-Performance Organizations

Tom Devane, 2004-01-16 You know that great improvement initiatives abound What you may not know is how to implement them effectively get fast dramatic improvement and sustain those results for the long term It's a common problem But take heart The next wave of performance excellence is here the seamless integration of today's leading improvement methods This integration described thoroughly in this book builds upon the strengths and addresses the shortcomings of each discipline For example While Six Sigma provides a disciplined quantitative approach many efforts fail because they don't address the people side of performance improvement and change management Plus Six Sigma efforts are expensive and take too long to produce results Lean Manufacturing techniques can provide quick results but they lack quantitative tools to reduce variation and as a result are incapable of addressing numerous high dollar improvement opportunities Though High Performance Organizations HPO create conditions for great motivation improve intra organizational interactions and lower employee turnover many HPO interventions fail to produce solid business results because members lack a disciplined approach and the tools for improvement

Action Inquiry William R. Torbert, 2004-06-09 Action inquiry is the process of transformational learning that individuals and even whole organizations can undertake to better assess current dangers and opportunities act in a timely manner and make future visions come true Through short stories of leadership and organizational changes in the areas of business politics health care and education this book illustrates how this process can increase personal integrity improve relationships and lead to company profitability and long term success

Building an Evidence Based Practical

Guide to Large Scale Interventions Tonnie van der Zouwen,2011 The guide offers an instrument and tools for systematic evaluation of interventions

Positive Alpha Generation Claude Diderich,2009-02-18 Diderich describes tools and techniques which can be used to develop quantitative models for actively managing investment products and focuses on how theoretical models can and should be used in practice He describes the interaction between different elements of an investment process's value chain in a single and consistent framework A key focus is placed on illustrating the theory with real world examples At the end of the book the reader will be capable of designing or enhancing an investment process for an investment or portfolio managers products from start to finish Increased pressure to add value through investments makes this a hot topic in the investment world Combined theoretical and practical approach makes this book appealing to a wide audience of quants and investors The only book to show how to design and implement quantitative models for gaining positive alpha

Strengthening Spirit-Releasing Potential Bernadette Miles,2021-02-09 Have you ever wondered what releasing spiritual potential in the workplace might do for your organization In today's climate of colossal and incredibly fast global change the world needs new ways to develop discerning leaders to consciously lead our community of life into the future Though there are many books on leadership they rarely engage the importance and relevance of spiritual development and spiritual accompaniment in organizational discernment and leadership development Spiritual formation through spiritual direction has the potential to transform the way we lead organizations in secular and religious settings Drawing on the wisdom and experience of leaders and spiritual directors this book first broadens our understanding of how spiritual direction can be a resource for leadership and organizational development second supports spiritual directors in developing their corporate practice and their understanding of the relevance of spiritual direction for a wider community

Practicing Organization Development William J. Rothwell,Roland L. Sullivan,2005-03-04 Since it was first published in 1995 Practicing Organization Development
