and it isn't expensive at all This Book Is Cheap For just the low price of 2.99 you can learn how to earn your first 100 making memes According to CollegeBoard.com the national average for college textbooks is 1,137 per year You purchasing this book will be an inexpensive investment in your future and if you practice the 3 SIMPLE steps in this book it will pay for itself 3 Reasons Why This Book Is So Cheap The first reason why this book is so cheap is because most people who would be interested in a book like this are millennials Millennials are the poorest generation so far That's why I made this book 2.99 and not 14.99 when I self published it The second reason this book is so cheap is because it is SUPER short Usually when you hear advice that is straight to the point it is short The truth is usually short straight to the point and simple just like this book The third reason why this book is so cheap is because it didn't take a lot of money to write and self publish this book in the first place I don't owe a book publishing company money so I'm not about to charge you over 10 for a book like this What You Are Being Sold I'm not selling you the perfect book because the perfect book doesn't exist no matter how much work I put into it or hire someone else to put into it I'm selling you a book with practical easy to understand steps on how to earn your first 100 making memes QUICK DISCLAIMER Before I get into the 3 steps that will be taught to you I want to let you know a few things This is not a scam No the steps will not be easy but they are not hard either The 3 steps are SIMPLE If you aren't satisfied you can get your money back Usually when people do research on how to create an extra stream of income they come across things like affiliate marketing and making YouTube videos This book is most likely the first book to ever teach people how to turn their passion for memes into an additional stream of income The 3 Simple Steps You will get to learn from the mistakes I made along the way to earning my first 100 making memes These 3 simple steps will give you the knowledge you need to earn your first 100 making memes Step one will be content marketing your original memes You will be informed about the importance of creating content regularly for Instagram.com and why you should content market on Instagram.com Step two will be setting up your meme making business online You will be told to set up shop on fiverr.com first and why you should start on fiverr.com Step three will be getting paid This is pretty self explanatory Don't expect this step to be very long I'm very sure this step will be your favorite Am I right Don't Cheat The System The most challenging steps are steps one and two Step three is the part I am sure you will like the most Unfortunately if you do not do steps one and two you will not be able to start step three so do not try to cheat this system You will only be wasting your own time Can I Earn More Than 100 Making Memes I know what you're probably thinking and the answer is yes You can earn more than 100 making memes I have done it before There is no limit to how much money you can earn making memes What this book focuses on the most is teaching you and everyone else who buys this book how to earn their FIRST 100 dollars making memes As long as you have a talent for making memes and self efficacy you will be able to earn your first 100 making memes Elephant In The Room Now let's address the elephant in the room You most likely doubt I earned 100 making memes and that is okay It is perfectly normal to be skeptical If I were you I would be suspicious too I have proof that I earned 100 making memes Just visit the
