The Kids' Catalog Collection Jane Smolik, 1990

A Toddler's Life Marilyn Shatz, 1994 What sets humans apart from other social animals In an intimate account of a child's development from age one to three distinguished psychologist Marilyn Shatz answers this question by arguing that humans are unique in their ability to reflect on themselves to compare themselves to others and to self correct Language plays a central role in such processes because it offers the developing child a powerful tool for going beyond immediate experience to an understanding of unobservable states and motivations In addition to her two decades of research in developmental psychology Shatz draws on observations of her grandson Ricky to show how toddlers use their cognitive social and linguistic skills to understand and eventually to employ language as a means for

successfully engaging others Shatz expertly brings the dialogue of the toddler to life plotting the turning points in Ricky's progress from fifteen month old one word speaker to three year old articulate preschooler The story of a child's increasingly sophisticated involvement with an expanding world is here generalized to other young children and skillfully interwoven with both empirical research and insightful commentary about the nature of human learning in a social setting Parents teachers researchers and students of developmental psychology and psycholinguistics will find this book to be an interesting and engaging study of early developmental processes

Infant and Toddler Development from Conception to Age 3 Mary Jane Maguire-Fong, Marsha Peralta, 2018-11 This book invites those caring for infants to join as companions on an incredible journey Each chapter taps a distinct area of research to shed light on babies biological expectations for care and their amazing competence as active participants in that care Exploring each domain of development with policy and practice recommendations the authors offer important insights into How prenatals read and adapt to characteristics of their environment How fetus and mother respond in sync to a cascade of hormones that facilitate healthy birth breastfeeding bonding and immune system development How infants search for proximity to caring responsive others as a means of regulating physiological systems and making friends How infants gather statistics on language through interactions with companions How infants learn as they investigate objects and people within everyday play and interactions I have never experienced a book that more clearly and purposefully communicates the day by day development of infants and the essential role adults play in the optimization of that development From the Foreword by J Ronald Lally WestEd Center for Child Family Studies author of For Our Babies Infant development comes alive in this book From the Afterword by Ed Tronick Distinguished University Professor University of Massachusetts Boston A must read for anyone interested in young children This will be a valuable resource for academics clinicians and caregivers Bruce D Perry ChildTrauma Academy This extraordinary collection of stories invites us to explore and reflect on what it's like to be a baby new to the world and full of curiosity Elizabeth Jones faculty emerita Pacific Oaks College

Yolks on You Box Set Jessica Payseur, 2017-04-09 Mount Angus is a small Wisconsin town that would be boring if not for its many over the top holiday festivals Kiko Cooper is a local owner of the niche egg themed store Yolks on

You Dominic Grady is a tourist who finds himself suddenly single while on vacation What starts with a bad break up quickly spirals into new romance intrigue and murder Neither Kiko nor Dom can resist the pull of a good mystery any more than they can resist the attraction they feel for each other Surprising everyone in town they make a cute couple and a decent investigative team too Which is a good thing because Mount Angus appears to have a small murder problem Contains the stories Shell Shocked When Dominic agreed to join his boyfriend for a weekend away at the annual Eggstravaganza in small town Wisconsin he was expecting a boring experience He was not expecting to discover his boyfriend had been cheating on him He was not expecting to fall for Kiko owner of the niche shop Yolks on You And he certainly wasn't expecting an exploding cow to drop him in the middle of a deadly mystery Egg Whites and Blue Kiko and Dom are still getting used to each other and with Mount Angus Knee High 4th of July Festival approaching they anticipate spending quality time together if only for a weekend But with the arrival of Kiko's ex and the discovery of a murdered body they are drawn into another small town mystery where dark secrets and a generous serving of danger could very well get them killed Deal with the Devil Eggs After a chaos filled summer Kiko and Dom are ready to ease into a more laid back autumn and really put in some quality time together But with an old friend of Dom's crashing with them and causing tension and a sudden spree of murders this could either be a Halloween for Kiko and Dom to remember or their very last Egg the Halls When local artist Cat asks Kiko and Dom to solve her vandalism problem the two are only too happy for the distraction from holiday visitors But when the property damage escalates to threats on Kiko's life things get more serious than they'd hoped and if they can't get to the bottom of the family drama fast Kiko might never be home for the holidays again Eggs and Kisses The annual Be Mount Valentine Heartstival has the whole town of Mount Angus on the lookout for relationship drama and this year it seems everyone's most interested in whether Kiko and Dom are going to tie the knot When a body is found rolled in a rug though it's up to the couple to unravel a deadly mystery before the celebration ends in more than just bruised egos and broken hearts
