Salter, 1997 The Combat Leaders Guide CLG is a job performance aid for leaders to use as a memory jogger during realistic combat training like that at the Combat Training Centers or in continuous operations environments The CLG is a pocket sized quick reference system to be used by trained soldiers at company platoon or squad level The CLG helps to overcome the effects of performance decay over time and during periods of high stress and fatigue It supports unit readiness by providing a leader with doctrinal tactical and technical materials in a quick reference format DTIC **The Quick-Reference Handbook for School Leaders** The National Association of Head

Teachers, 2007-01-24 It is the type of useful self help text that promises practical and easy to read guidance to help you manoeuvre round the enquiries and problems that litter your school's otherwise smooth journey to an A judgement from Ofsted inspectors. Ldr This is a handbook to have available as a first source to consult when an issue first arises. It combines legal advice, information, suggested activities and a series of tips from headteachers who have dealt with such issues before. New headteachers in particular would be well advised to read the section on media interviews before they are rushed into statements they later regret. Looking after Yourself is a section that leaders would be well advised to skim through periodically as a reminder as it is the kind of advice that gets forgotten in the hurly burly of school life. Brian Fidler, Professor of Education Management, University of Reading. Distilled from years of NAHT National Association of Head Teachers experience of providing advice and guidance for its members in the UK. The Quick Reference Handbook for School Leaders is a practical guide that provides an answer to the questions Where do I start and Where do I look for direction. Written in an easy to read bulleted format, the handbook is organised around key sections: each part includes brief overviews, checklists and suggestions for further reading.

- o Organisation and Management: the role of the Headteacher, negligence and liability, media relations, managing conflict and difficult people, effective meetings, inspection, resource management, records and information.
- o Teaching and Learning: curriculum, learning communities, special education, evaluation, staff development, unions, celebrating success.
- o Behaviour and Discipline: safe schools, code of conduct, exclusion, search and seizure, police protocols.
- o Health and Safety: child protection issues, occupational health, safety risk assessments, emergency preparation, medical needs, health and safety resources.
- o Looking After Yourself: continuing professional development and work life balance.

This handbook is an excellent resource for all current and aspiring senior school leaders.
