Social Buzz Urban Fantasy Academy

Vivienne Savage

Social Buzz Urban Fantasy Academy:

Urban Legends Alistair Fraser, 2015 **Impractical Magic** Vivienne Savage, Junior alchemist master gardener jack of all trades with a mean fireball spell River Jackson practices her witchcraft in peace while enjoying a quiet life in the small town of Atropos Texas For her it s the ideal time to start dating Zacarias the Brazilian hottie next door Or it would be if not for the choking darkness shattering friendships and turning neighbor against neighbor Although she s only a junior sorceress River isn t blind to the hurricane of negative energy closing its grip around their rural community The stakes rise when Zacarias s ex wife blows into town She s also a witch one with no qualms about dragging him back under her control with magic Discovering his furry secret is the least of River s worries saving him from a crazy ex will be the real test Readers who love shifters witches and mysterious paranormal creatures will go wild over the Impractical Magic series and its strong cast of diverse characters Street Protests and Fantasy Parks David Cameron, Janice Gross Stein, Janice Stein, 2002 The speed

and intensity of global integration in the last two decades have provoked serious debate about the human impact of globalization and deep concern about the capacity of the state to provide social justice Street Protests and Fantasy Parks focuses on two dimensions of globalization the cultural and social realities of global connection and the uneasily shifting role of the state While global processes are fusing societies and economies more deeply than ever before the editors argue that obituaries for the state are premature if not wholly inappropriate These essays examine a series of compelling case studies the entertainment industry citizenship social activism and wired communication to assess the choices states have and the consequences of those choices for culture and society **Routledge Handbook of Art, Science, and Technology**

Studies Hannah Rogers, Megan Halpern, Dehlia Hannah, Kathryn de Ridder-Vignone, 2021-12-22 Art and science work is experiencing a dramatic rise coincident with burgeoning Science and Technology Studies STS interest in this area Science has played the role of muse for the arts inspiring imaginative reconfigurations of scientific themes and exploring their cultural resonance Conversely the arts are often deployed in the service of science communication illustration and popularization STS scholars have sought to resist the instrumentalization of the arts by the sciences emphasizing studies of theories and practices across disciplines and the distinctive and complementary contributions of each The manifestation of this commonality of creative and epistemic practices is the emergence of Art Science and Technology Studies ASTS as the interdisciplinary exploration of art science This handbook defines the modes practices crucial literature and research interests of this emerging field It explores the questions methodologies and theoretical implications of scholarship and practice that arise at the intersection of art and STS Further ASTS demonstrates how the arts are intervening in STS Drawing on methods and concepts derived from STS and allied fields including visual studies performance studies design studies science communication and aesthetics and the knowledge of practicing artists and curators ASTS is predicated on the capacity to see both art and science as constructions of human knowledge making Accordingly it posits a new analytical

vernacular enabling new ways of seeing understanding and thinking critically about the world This handbook provides scholars and practitioners already familiar with the themes and tensions of art science with a means of connecting across disciplines It proposes organizing principles for thinking about art science across the sciences social sciences humanities and arts Encounters with art and science become meaningful in relation to practices and materials manifest as perceptual habits background knowledge and cultural norms As the chapters in this handbook demonstrate a variety of STS tools can be brought to bear on art science so that systematic research can be conducted on this unique set of knowledge making practices

Severed Wings Steven-Elliot Altman,2020-06-03 A Los Angeles Times bestselling author combines the divine and the profane in this erotically charged urban fantasy Publishers Weekly Imagine Leaving Las Vegas meets City of Angels and American Gods and you can imagine the power of Severed Wings Brandon Jones a handsome hopeful young actor stands on the verge of fame and fortune when a car accident shatters his life bringing his career to a screeching halt Isolating himself he cuts off his friends and family turns to booze for companionship and withdraws to a small apartment on Sunset Boulevard Now the only people he interacts with are a drag queen and a student working her way through college as an escort Brandon has nothing to live for until a startlingly beautiful young couple moves in across the hall Spying through the peephole in his door he grows increasingly obsessed with his new neighbors and the parade of damaged strangers who visit them at all hours Then something seemingly impossible happens that convinces him that this mysterious couple can help restore all he lost Altman delivers a thrilling roller coaster ride plunging us headlong into dark territories fraught with unexpected pivots and twists Stephen Susco screenwriter of The Grudge A tour de force of the Weird Eat of the fruit and take a truly mesmerizing trip through a glass darkly I did and I can t wait to do it again Nancy Holder New York Times bestselling co author of The Wicked Saga An ethereal story about the damage of the past and the hope for a better personal future Booklist

Getting It in Writing Deborah M. Stankevich,2011-07-01 Sixteen teachers Sixteen journeys All on a quest to become outstanding teachers of writing All taking different paths to acquire and hone those skills that make a teacher effective From kindergarten to college teachers are faced with the daunting task of instilling the art of writing in their students From creative writing to research the art of writing incorporates the writing process to create the inking of our thinking These 16 teachers from across the nation have traveled a long and arduous path to seek and to reach for the

methods and strategies that will make them successful writing teachers These are their stories **Moving Boarders**
Matthew Atencio,Becky Beal,E. Missy Wright,ZáNean McClain,2018-12-03 Once considered a kind of delinquent activity
skateboarding is on track to join soccer baseball and basketball as an approved way for American children to pass the after
school hours With family skateboarding in the San Francisco Bay Area as its focus Moving Boarders explores this switch in
stance integrating first person interviews and direct observations to provide a rich portrait of youth skateboarders their
parents and the social and market forces that drive them toward the skate park This excellent treatise on the contemporary
youth sports scene examines how modern families embrace skateboarding and the role commerce plays in this unexpected
new parent culture and highlights how private corporations community leaders parks and recreation departments and
nonprofits like the Tony Hawk Foundation have united to energize skate parks like soccer fields before them as platforms for
community engagement and the creation of social and economic capital
