Contemporary Approaches of Digital Marketing and the Role of Machine

Intelligence Munna, Afzal Sayed, Shaikh, Md Sadeque Imam, Kazi, Baha Uddin, 2023-08-01 Digital marketing emerged as a natural response by companies and vendors to leverage and benefit from the significant consumer concentration on digital channels. This proliferation of IT applications and the enormous presence of customers in digital channels generate a large number of products and customer data. Machine learning and artificial intelligence are game-changing techniques in digital marketing to analyze this data. This analysis helps marketers to personalize the sales tools toward individuals, optimize their operations, and minimize expenditure. Contemporary Approaches of Digital Marketing and the Role of Machine Intelligence demonstrates relevant theories of digital marketing along with tools, techniques, methods, and strategies. It also identifies the research gaps for effective digital marketing tools, techniques, and methods and builds a bridge between digital marketing strategies and business plans for organizations. Covering topics such as digital marketing, metaverse, and visitor experience, this premier reference source is an essential resource for business leaders and managers, marketers, IT managers, data analysts, social media analysts, students, and educators of higher education, researchers, and academicians. **ECSM 2023**

10th European Conference on Social Media Iwona Lupa-Wójcik, Marta Czyżewska, 2023-05-18 Pop-Lit: Essays in Retrospection

Subir Dhar, Monikankini Basu, Swarnendu Dam, 2025-08-19 This edited volume offers a comprehensive collection of critical essays that explore the multifaceted role of popular culture in society. Through a variety of theoretical lenses, the essays examine how popular culture, from mass media to everyday cultural practices, shapes societal norms, values, and power structures. Drawing on seminal works from thinkers such as Matthew Arnold, the Frankfurt School, and the Birmingham School, the book traces the evolution of cultural studies and its impact on understanding mass culture. Essays address key topics such as the commodification of culture, the passive consumption promoted by the culture industry, and the active agency of audiences in interpreting and resisting cultural messages. The volume also highlights how popular culture reflects and challenges dominant ideologies, emphasizing the role of marginalized groups in creating alternative cultural meanings. With its wide-ranging perspectives, this book provides valuable insights into the intersection of culture, politics, and everyday life.

The School Library Manager Blanche Woolls, Joyce Kasman Valenza, April M. Dawkins, 2023-06-15 The seventh edition of this comprehensive school library management text expands upon the role of the school librarian, especially in the ever-growing digital realm and highlights the importance of school librarian leadership and outreach. In an era of budget cuts, reduced staffing, and a global pandemic, it is more important than ever for new LIS professionals and established school librarians and administrators to demonstrate the value of school libraries to decision makers. This revised and updated edition of a classic text adds two well-known authors to help lead readers through the many essential management tasks and skills required to administer the successful school library program. It emphasizes the importance of the school librarian in providing digital access to information for teachers and students, describes how facilities are being modified to accommodate new resources and programming, and offers new ways to use AASL standards to evaluate programs.

All chapters are updated and the text addresses such timely subjects as providing information resources when students teachers and librarians are interacting online A new chapter highlights the importance of the school librarian s leadership in schools districts and communities This invaluable textbook teaches practical skills for school library management and offers inspiration and guidance for growing LIS careers Women Re-Creating Classics Emily Hauser, Helena Taylor, 2025-07-10 Drawing together an interdisciplinary range of scholarly and creative voices this volume looks at contemporary discussions surrounding women s engagement with the classical past There is a discussion as to why classical creative retellings are so popular now as well as considerations of what creativity can do to foster new ways of thinking and writing about classics thus blurring the boundary between the creative and the critical In particular the contributors engage with debates on how to make classics more accessible through the medium of creative works so that it is not just a discipline for the selective few
