A Toddler's Life Marilyn Shatz, 1994 What sets humans apart from other social animals In an intimate account of a child's development from age one to three distinguished psychologist Marilyn Shatz answers this question by arguing that humans are unique in their ability to reflect on themselves to compare themselves to others and to self correct Language plays a central role in such processes because it offers the developing child a powerful tool for going beyond immediate experience to an understanding of unobservable states and motivations In addition to her two decades of research in developmental psychology Shatz draws on observations of her grandson Ricky to show how toddlers use their cognitive social and linguistic skills to understand and eventually to employ language as a means for

successfully engaging others Shatz expertly brings the dialogue of the toddler to life plotting the turning points in Ricky's progress from fifteen month old one word speaker to three year old articulate preschooler The story of a child's increasingly sophisticated involvement with an expanding world is here generalized to other young children and skillfully interwoven with both empirical research and insightful commentary about the nature of human learning in a social setting Parents teachers researchers and students of developmental psychology and psycholinguistics will find this book to be an interesting and engaging study of early developmental processes

You Dominic Grady is a tourist who finds himself suddenly single while on vacation What starts with a bad break up quickly spirals into new romance intrigue and murder Neither Kiko nor Dom can resist the pull of a good mystery any more than they can resist the attraction they feel for each other Surprising everyone in town they make a cute couple and a decent investigative team too Which is a good thing because Mount Angus appears to have a small murder problem Contains the stories Shell Shocked When Dominic agreed to join his boyfriend for a weekend away at the annual Eggstravaganza in small town Wisconsin he was expecting a boring experience He was not expecting to discover his boyfriend had been cheating on him He was not expecting to fall for Kiko owner of the niche shop Yolks on You And he certainly wasn't expecting an exploding cow to drop him in the middle of a deadly mystery Egg Whites and Blue Kiko and Dom are still getting used to each other and with Mount Angus Knee High 4th of July Festival approaching they anticipate spending quality time together if only for a weekend But with the arrival of Kiko's ex and the discovery of a murdered body they are drawn into another small town mystery where dark secrets and a generous serving of danger could very well get them killed Deal with the Devil Eggs After a chaos filled summer Kiko and Dom are ready to ease into a more laid back autumn and really put in some quality time together But with an old friend of Dom's crashing with them and causing tension and a sudden spree of murders this could either be a Halloween for Kiko and Dom to remember or their very last Egg the Halls When local artist Cat asks Kiko and Dom to solve her vandalism problem the two are only too happy for the distraction from holiday visitors But when the property damage escalates to threats on Kiko's life things get more serious than they'd hoped and if they can't get to the bottom of the family drama fast Kiko might never be home for the holidays again Eggs and Kisses The annual Be Mount Valentine Heartstival has the whole town of Mount Angus on the lookout for relationship drama and this year it seems everyone's most interested in whether Kiko and Dom are going to tie the knot When a body is found rolled in a rug though it's up to the couple to unravel a deadly mystery before the celebration ends in more than just bruised egos and broken hearts
