Primary School English Composition

To write a composition, you should know the basic structure:

- Introduction
- Problem
- Solution
- Conclusion

2. Plan For Composition

Note down the ideas that come across your mind when you think about the given topic. Teach your child what are the main things that he or she should include in composition writing.

- Who are the main characters?
- What is the main conflict?
- How the story should end?

3. First Paragraph

The first paragraph should capture the attention of readers. Generate interest relevant to the story.

Simply memorise the topic and write information accordingly. Try to build suspense in the story.

4. Write the Problem & Solution

In composition writing, you need to write a story. Problem or conflict is an important part of the story. You should write 1-2 paragraphs long for the problem segment. Create a logical solution that should be creative and relevant to the story.

5. Write Conclusion

The conclusion should be based on what readers need to learn a lesson from the story. Also, you can include how the character's life of the story differs now from onward. Don't make grammar mistakes, use correct vocabulary.
