Steven Spielberg A Biography Second Edition:

Steven Spielberg Joseph McBride, 2011-01-04 Until the first edition of *Steven Spielberg A Biography* was published in 1997 much about Spielberg's personality and the forces that shaped it had remained enigmatic in large part because of his tendency to obscure and mythologize his own past But in this first full scale in depth biography of Spielberg Joseph McBride reveals hidden dimensions of the filmmaker's personality and shows how deeply personal even his most commercial work has been This new edition adds four chapters to Spielberg's life story chronicling his extraordinarily active and creative period from 1997 to the present a period in which he has balanced his executive duties as one of the partners in the film studio DreamWorks SKG with a remarkable string of films as a director Spielberg's ambitious recent work including *Amistad* *Saving Private Ryan* *A.I. Artificial Intelligence* *Minority Report* *The Terminal* and *Munich* has continually expanded his range both stylistically and in terms of adventurous often controversial subject matter *Steven Spielberg A Biography* brought about a reevaluation of the great filmmaker's life and work by those who viewed him as merely a facile entertainer This new edition guides readers through the mature artistry of Spielberg's later period in which he manages against considerable odds to run a successful studio while maintaining and enlarging his high artistic standards as one of America's most thoughtful

sophisticated and popular filmmakers **Steven Spielberg** Wil Mara, 2014-08-01 Prolific director writer and producer of such films as *Saving Private Ryan* *E.T. The Extraterrestrial* *Jurassic Park* and others *"This shark, swallow you whole"*

Kathy Merlock Jackson, Philip L. Simpson, 2023-03-09 One of the most influential thrillers in media history *Jaws* first surfaced as a best selling novel by first time novelist Peter Benchley in 1974 followed by the 1975 feature film directed by Steven Spielberg at the beginning of his storied career *Jaws* is often considered the first blockbuster and successive generations of filmmakers have cited it as formative in their own creative development For nearly 50 years critics and scholars have studied how and why this seemingly straightforward thriller holds such mass appeal This book of original essays assembles a range of critical thought on the impact and legacy of the film employing new perspectives historical cinematic literary scientific and environmental while building on the insights of previous writers While varying in focus the essays in this volume all explore why *Jaws* was so successful in its time and how it remains a prominent storytelling influence well into the 21st century

Focus On: 100 Most Popular Films Based on British Novels Wikipedia contributors, **Burt Reynolds on Screen** Wayne Byrne, 2020-01-02 In a prolific career spanning six decades actor Burt Reynolds was one of the world's most famous stars of film and television As much a folk hero as a Hollywood celebrity he began as a stuntman and bit player in B Westerns and TV shows before landing a starring role on NBC's *Riverboat* 1959-1961 His breakthrough role in *Deliverance* 1972 made him famous and the sleeper hit *Smokey and the Bandit* 1977 made his name a household word This first critical overview of Reynolds work examines his complete filmography featuring candid discussions with costars and collaborators exclusive behind the scenes photos and a wealth of film stills **Generations of Jewish Directors and the Struggle for America's**

Soul Sam B. Girgus, 2021-08-11 From generation to generation three outstanding American Jewish directors William Wyler Sidney Lumet and Steven Spielberg advance a tradition of Jewish writers artists and leaders who propagate the ethical basis of the American Idea and Creed They strive to renew the American spirit by insisting that America must live up to its values and ideals These directors accentuate the ethical responsibility for the other as a basis of the American soul and a source for strengthening American liberal democracy In the manner of the jeremiad their films challenge America to achieve a liberal democratic culture for all people by becoming more inclusive and by modernizing the American Idea Following an introduction that relates aspects of modern ethical thought to the search for America s soul the book divides into three sections The Wyler section focuses on the director s social vision of a changing America The Lumet section views his films as dramatizing Lumet s dynamic and aggressive social and ethical conscience The Spielberg section tracks his films as a movement toward American redemption and renewal that aspires to realize Lincoln s vision of America as the hope of the world The directors among many others perpetuate a New Covenant that advocates change and renewal in the American experience

Ferocious Ambition Robert Dance, 2023-10-12 Robert Dance s new evaluation of Joan Crawford looks at her entire career and while not ignoring her early years and tempestuous personal life focuses squarely on her achievements as an actress and as a woman who mastered the studio system with a rare combination of grit determination beauty and talent Crawford s remarkable forty five year motion picture career is one of the industry s longest Signing her first contract in 1925 she was crowned an MGM star four years later and by the mid 1930s was the most popular actress in America In the early 1940s Crawford s risky decision to move to Warner Bros was rewarded with an Oscar for Mildred Pierce This triumph launched a series of film noir classics In her fourth decade she teamed with rival Bette Davis in Whatever Happened to Baby Jane proving that Crawford whose career had begun by defining big screen glamour had matured into a superb dramatic actress Her last film was released in 1970 and two years later she made a final television appearance forty seven years after walking through the MGM gate for the first time Crawford made a successful transition into business during her later years notably in her long association with Pepsi Cola as a board member and the brand s leading ambassador Overlooked in previous biographies has been Crawford s fierce resolve in creating and then maintaining her star persona She let neither her age nor the passing of time block her unrivaled ambition and she continually reimagined herself noting once that for the right part she would play Wally Beery s grandmother But she was always the consummate star and at the time of her death in 1977 she was a motion picture legend and a twentieth century icon

Steven Spielberg Joseph McBride, 2012-09-01 Steven Spielberg is responsible for some of the most successful films of all time Jaws Close Encounters of the Third Kind E T and the Indiana Jones series Yet for many years most critics condescendingly regarded Spielberg as a child man incapable of dealing maturely with the complexities of life The deeper levels of meaning in his films were largely ignored This changed with Schindler s List his masterpiece about a gentile businessman who saves eleven hundred Jews from the Holocaust For

Spielberg the film was the culmination of a long struggle with his Jewish identity an identity of which he had long been ashamed but now triumphantly embraced Until the first edition of Steven Spielberg A Biography was published in 1997 much about Spielberg s personality and the forces that shaped it had remained enigmatic in large part because of his tendency to obscure and mythologize his own past In his astute and perceptive biography Joseph McBride reconciled Spielberg s seeming contradictions and produced a coherent portrait of the man who found a way to transmute the anxieties of his own childhood into some of the most emotionally powerful and viscerally exciting films ever made In the second edition McBride added four chapters to Spielberg s life story chronicling his extraordinarily active and creative period from 1997 to 2010 a period in which he balanced his executive duties as one of the partners in the film studio DreamWorks SKG with a remarkable string of films as a director Amistad Saving Private Ryan A I Artificial Intelligence Minority Report The Terminal and Munich films which expanded his range both stylistically and in terms of adventurous often controversial subject matter This third edition brings Spielberg s career up to date with material on The Adventures of Tintin and War Horse The original edition was praised by the New York Times Book Review as an exemplary portrait written with impressive detail and sensitivity Time called it easily the finest and fairest of the unauthorized biographies of the director Of the second edition Nigel Morris author of The Cinema of Steven Spielberg Empire of Light said With this tour de force McBride remains the godfather of Spielberg studies
