

Stewardship Prayer

My church is composed of people like me.
I help make it what it is.

It will be friendly, if I am.

Its pews will be filled, if I help fill them.

It will do great work, if I work.

It will make generous gifts to many causes,
if I am a generous giver.

It will bring other people into its worship and fellowship,
if I invite and bring them.

It will be a church of loyalty and love, of fearlessness
and faith, and a church with a noble spirit,
if I, who make it, am filled with these same things.

Therefore, with your help, Lord, I shall dedicate myself
to the task of being all the things that I want my
church to be.

Amen.

Young, 2009-05 This book presents a unique approach to church growth It is written mainly to help churches that are declining but will help all churches The underlying premise is that churches do not grow and reach new people because they do not know how or because they are so poorly structured and organized that they spend most of their time and efforts in conflict This disrupts the fellowship and leaves very little time and energy for reaching new people The subtitle could be Fifteen Essential Steps To Growth Basic growth and administrative principles The combining of these areas makes this a unique book Young has brought together these basic elements from over 40 years of experience The book is a practical guide for a local church to follow to function efficiently and effectively and reach people for Christ When the steps are followed and in the proper order the church can pretty well be assured of growth and effective ministry Dr Robert A
